Comments:

DeVos Place concludes the fiscal year having exceeded overall budget by over \$1 million. While expenses finished the fiscal year above budget overall, this was due to more events hosted than expected and revenue more than offset the increase in expenses.

| Date: | August 5, 2022 |
| Re: | Application to Liquor Control Commission for Special License |

Once again, the "Best Fall Wine Festival Not to Miss" will be returning to DeVos Place®. As we move forward with planning the operational aspects of the upcoming International Wine, Beer & Food Festival, the CAA will need to apply to the Michigan Liquor Control Commission for Special (24-Hour) On-Premises Licenses. These licenses allow nonprofit, religious, fraternal, civic, or patriotic organizations to obtain a one-day license to sell alcoholic beverages (beer, wine, and liquor) to the public for on-premises consumption. The dates for the Wine, Beer & Food Festival this year are Thursday for VIP tours, Friday and Saturday, November 17-19, 2022.

The license fee is \$50.00 for each separate, consecutive day of the event. This is the same process we have gone through in previous years, and I am recommending we apply for this license as the cost is minimal, to allow for greater flexibility on the operational side.

Action requested: Approval to apply to the Michigan Liquor Control Commission for Special On-Premises Licenses.
