#### II. Minutes of Prior Meeting

Motion: Mr. Wilson, supported by Mr. Chamberlin, moved to approve the Minutes of the January 27, 2010, meeting of the Grand Rapids-Kent County Convention/Arena Authority. The motion carried unanimously.

#### III. **Committee Reports**

#### **Operations Committee** a.

Mr. Chamberlin stated that the Operations Committee will meet next on Friday, April 2, 2010, at 7:30 a.m.

George Helmstead provided an overview of the CVB's recent sales activities, marketing efforts, and major bid presentations. The CVB is behind pace for the year. Last week, the CVB hosted site visits with nine customers and received three verbal commitments for future conventions. The CVB will be a major sponsor at the ASAE golf tournament in which 90 customers will be participating. Discussion followed regarding the new Air Tran service carrier that will provide direct flights to the east coast and Florida.

#### b. Finance Committee.

#### i. SMG Financial Statements for DeVos Place® and Van Andel Arena®

Motion: Ms. Klohs, supported by Mr. Tomaselli, moved to approve the SMG Financial Statements for DeVos Place® and the Van Andel Arena® for the period ended January 31, 2010. After review and discussion, the motion carried unanimously.

#### ii. CAA Financial Statements

Motion: Ms. Klohs, supported by Mr. McInerney, moved to approve the CAA Financial Statements for the period ended January 31, 2010. After review and discussion, the motion carried unanimously.

#### IV. Broadway Grand Rapids Presentation

Mike Lloyd, Executive Director, attended the meeting to give an update on Broadway Grand Rapids. Broadway Grand Rapids has entered into a partnership with the Wharton Center at MSU that will give the organization access to more shows, make the company more efficient, and provide a better back shop operation. Additionally, more educational programming will become available. On May 11, a special production of Izzo Goes to Broadway, a parody of Phantom of the Opera, will be playing for one night only in DeVos Performance Hall. This is a fundraising event with one-half of the proceeds going to MSU scholarships and one-half to Broadway Grand Rapids.

#### V. Recommendation Regarding Arena Concourse Expansion

Mr. MacKeigan recommended approval to enter into an agreement with the architectural firm, Rossetti Associates, to provide design services, bridging documents, construction documents, and assistance with the Van Andel Arena® concourse expansion. The agreement would be for an amount not to exceed \$100,000. There will be no impact on the current budget, as these fees are within the allocation of \$1 million for this project. Rossetti is confident that an expansion can be completed prior to the start of the hockey season in October 2010. The Operations Committee would be used as the vetting source for decisions.

Motion: Mr. Tomaselli, supported by Mr. Wilson, moved approval for SMG to engage Rossetti Associates for the services as recommended, in an amount not to exceed \$100,000.

Discussion followed. Chair Heacock stated, and Ms. Klohs agreed, that construction of the project should be awarded to a local construction company. Chair Heacock inquired why Rossetti was selected over a local architectural firm. Mr. MacKeigan responded that, as original architects of the Arena, Rossetti has familiarity with the building and its systems. SMG staff consults with the Rossetti team when problems arise. Additionally, Rossetti has the experience and has performed this type of work at the Palace of Auburn Hills. The discussion concluded and CAA Board members voted on the motion.

#### VI. SMG Report and Facilities Calendar

Mr. MacKeigan presented a summary of the upcoming events that will be held at DeVos Place® and the Van Andel Arena®.

VII. Public Comment

None.

#### VIII. Next Meeting Date

The date for next CAA Board meeting is Friday, April 2, 2010, the Kent County Commission Chambers, Kent County Administration Building, 300 Monroe Avenue, NW, immediately following the Operations Committee meeting.

#### IX. Adjournment

There being no other business, the meeting adjourned at 9:10 a.m.

The attached report may be further summarized in the following manner:

	Annual				Year To Date	
	FY 2009 Actual	FY 2010 Budget	Percent Change	2009 7/1/-3/31	2010 7/1-3/31	Percent Change

<sup>\*</sup>Before depreciation

DeVos Place® expenditure trends remain well within budget with "net proceeds" running ahead of prior-year levels. The "other" net activity (administration) is well below budget, with significant declines in interest/miscellaneous revenues and legal (Delta Turner) running well ahead of prior year.

Re: Convention/Arena Authority (CAA)

Fiscal Year 2011 Budget Request

The attached material summarizes a requested CAA Administrative Operating Budget and Consolidated Income Statement for the Fiscal Year beginning July 1, 2010 (Fiscal Year 2011). The format of the report provides the Committee with an overview of Fiscal Year 2009 actual, Fiscal Year 2010 estimate, and Fiscal Year 2011 preliminary recommendations. Preliminary Finance Committee review will be held on May 7th with final Board review scheduled for June 4th.

Table A provides a summary of the facility manager (SMG) budget documents submitted under separate cover. Based on SMG's most recent "budget roll," the current year forecast has been updated to a net operating income balance of \$615,220. Funding, requested for FY 2011, would generate a net operating income of \$488,672.

The Fiscal Year 2011 consolidated income statement (Table C) forecasts a net operating income totaling \$538,461. This income will be applied to finance, in part, a capital outlay request totaling \$3,855,000. The balance of the funds requested will be supported by interest earnings and a drawdown from the capital reserve account.

Table B provides a summary of the CAA administrative budget. Revenues in this account include regularly scheduled transfers from the facility manager, parking, interest and other miscellaneous contributions to the organization. Expenditures from this account include provision for utilities, capital repair/replacement/improvement (as defined in the SMG management contract), parking management fees, landscape plantings, allowance for a marketing campaign (new-carryover), and other administrative expenses. Table B-1, attached hereto, provides additional details concerning utility and miscellaneous administrative expenditure accounts.

I would like to take this opportunity to present SMG's recommendations for Room Rental Rates for DeVos Place, effective FY July 2011 through FY June 2015. SMG has established a 5 year rate card for DeVos Place to provide potential clients the option to secure rental rates in outlying years, and in some instances multiple years. Historically, while rental rates at DeVos Place have not increased more than 3.25% each year over the past few years (averaging between 2.75% - 3%); our rates continue to hover in the mid-range on the regional average. Our current pricing schedules reflect current economic assumptions in the regional marketplace and knowledge of rental rates of comparable venues of similar size in the area.

We consider our current five year rate card to be a key marketing element for the facility. Given the flexibility to negotiate rental rates with clients (limited to an increase or reduction no greater than 20% of the approved rates) current rates afford us continued opportunities to be competitive in the bidding process for Regional and National Conventions. By keeping our current 5 year rental rate card, we position ourselves appropriately to deliver the most value for the quality of product we serve.

Within the current structure of the rental rate cards approved by the CAA last fiscal year, SMG is committed to providing the best services required in the marketing of the facilities.

As managers of DeVos Place, SMG has the right to negotiate rental rates with clients, but agrees that such negotiations will be limited to an increase or reduction no greater than 20% of approved rental rates. These fluctuations may be considered if it became the shared position of affected area businesses that mutual special consideration is necessary to attract the business. SMG also has the right to negotiate rates for labor and equipment in accordance with industry standards, including charging for items which may not be included on this rental rate sheet.

Re: DeVos Place® Show Fund

On September 24, 2008, the CAA Board approved the creation of a DeVos Place® show fund to give SMG the flexibility to take a position of risk on shows when opportunities presented themselves, and to do so up to an accumulative guarantee of \$100,000 at any one point in time. Self-promoted shows Thomas the Tank Engine and Backyardigans proved very successful and confirmed the importance of the fund.

I would like to inform you that we booked another successful event utilizing the Show Fund. The Chris Botti concert was booked on Thursday, March 4, using the Show Fund. No promoter was interested in booking the date under the financial terms required. About 1,000 people attended the concert, and we made approximately \$4,000 on the show. This booking only happened because of the ability to use the Show Fund. Additionally, there was no other interest in the date for another use, so no opportunity cost.

That show concludes any outstanding fund request, so the balance should be back to the full \$100,000 allocated amount.

Please let me know if you have any questions about the Show Fund or its utilization. You may reach me at 742-6189. Thank you.
