EXPO CENTER

North America's Premier Livestock & Equestrian Complex

The Expo complex includes 200,000 sq. ft. of flexible indoor event space; a 4,000 seat indoor arena - First Interstate Bank Center; two covered arenas: Little Hooker Creek and Sagebrush Arenas; one outdoor arena: Juniper Arena; and a five barn complex with stabling for 400 horses. There are 75+ acres of beautifully landscaped lawns, and a 105 site full-service Expo RV Park with 200 acres of parking. A perimeter road gives easy access to the back of each building for easy load-in/load-out. If meeting space is required, our Three Sisters Conference Center consists of three venues that can be configured in a variety of setups. All have built in sound and Wi-Fi.

Our facility is designed on a unique circular plot. Standing at the center a person is never more than 300 yards from any one space! Our Center Circle is a beautiful location for any outdoor event. It highlights a showpiece water feature in a natural landscape setting on 3.65 acres, complete with beautifully manicured grass, ponds, a cascading waterfall, and a windmill. The view from our

facility is unparalleled with a panorama of seven snow-capped mountain peaks that include Mt. Bachelor; the Three Sisters mountain range: North, Middle and South Sister; Brokentop; and Mt. Jefferson. In the distance you will enjoy views of Central Oregon's masterpiece: Smith Rock.

What People Are Saying!

“Deschutes County Fairgrounds and First Interstate Bank Expo Center was the perfect site for our first annual Cascades Futurity booking 450 stalls where \$26,250,000.00 in the combined worth of horses competed for \$99,500.00 over 10 days. The administrative team at DCFE was a pleasure to work within all capacities; scheduling, catering set-up/tear-down. Our Champions Dinner meal was prepared and presented beautifully to 250 guests who thoroughly enjoyed their meal. We are booked for 2019!”
