1 teaspoon pure vanilla extract
1/8 teaspoon salt

INSTRUCTIONS: In a large bowl using a handheld or stand mixer fitted with a paddle or whisk attachment, beat the cream cheese and butter together on high speed until smooth and creamy. Add 3 cups confectioners’ sugar, vanilla, and salt. Beat on low speed for 30 seconds, then switch to high speed and beat for 2 minutes. If you want the frosting a little thicker, add the extra 1/4 cup of confectioners’ sugar.

Cover and store leftover frosting for up to 5 days in the refrigerator or up to 3 months in the freezer. After freezing, thaw in the refrigerator then beat the frosting for a few seconds so it’s creamy again.

Theme Award: All classes within the Fine Art Department will be eligible. Entries will be judged on originality, ability level and approximation to the Fair theme. Indicate entry in this class on exhibitor’s tag opposite entry number by inserting the word ‘theme’.

A \$10 award will be given to each of the above. It will be included in the premium checks.

FINE ARTS RULES AND REGULATIONS

Pre-registration is strongly encouraged as Covid-19 state and local health mandates on building capacity may limit the number of last minute walk in entries.

Please refer to DCF General Rules & Regulations in front of Exhibitor/Premium Book.

- No advertisements or ads by professionals. No organization advertisements.
- Do not put phone number on exhibitor tags.
- **All items entered should have been completed within the last two years and not previously exhibited at the Deschutes County Fair.**
- The goal of the Fine Arts Department is to encourage and reward original works of art and to recognize art generated from non-original sources. **COPIED WORKS** for youth classes only. A work is a copy when the problems of composition, color, and essence have been resolved by another. Thus, a copy is an unfair measure against an original work. No paint-by-number.
- Adult Professional and Semi-Professional sections and classes cannot accept works generated from a classroom or TV setting. Adult Amateur and Novice sections and classes will accept works generated from classroom and TV sources.
- Paint Nite Art Section: Must have been created within the previous (one) year. All framing, hanging, gallery wrap rules apply. “People’s Choice” for paint nite work.
- **Note change: Maximum size 36”x40” (including frame). Minimum size 11”x14” (including frame).**
 - If the minimum is less than either side measurement, IT WILL NOT BE ACCEPTED (example 8”x20”).

Framing:

- **All entries must be two dimensional and ready to hang on a wall or they will not be accepted.** Paintings on jars or saws may be accepted in Handcrafts (Dept. O).
- All adult entries must be framed with wire on back for hanging ~ no exceptions.

- Standard framing and matting with glass is appropriate.
- Gallery wrap as a form of framing will be accepted. (Gallery wraps – **Canvas over edges and stapled on back.** Painting is extended out and onto outer edges of canvas).
- **No saw tooth hung artwork will be accepted.** (Saw tooth - Metal hangers commonly found at hardware stores.)
- **All entries in youth classes must be either framed with wire hangers or matted with stiff backing (foam core).** No glued or stick-on hangers.
- **If an entry is not hangable it will not be accepted.**
- Suitability of frame or neatness in matting will be considered in accepting exhibits for classes and judging - youth included.
- Superintendent has the discretion to accept or deny entries. Each case will be considered and discussed to the satisfaction of parties involved. K. Stone
- No exhibitor will be allowed to enter work in one medium (i.e. oil) as a professional and another medium (i.e. pastel) as a novice.
- Attach name, address, phone number, and name of section and class entered to back of each exhibit. Hang completed exhibitor tags with string in upper left-hand corner of artwork.
- **No personal or other phone number on exhibitor tags. Personal information goes only on the back of the exhibit as directed.**
- All entries must be in good taste. Nudes or any material unsuitable for any age will not be accepted. It is the Superintendent’s decision.
- Digital Art Photography (Photo enhancement): Created with the aid of a computer with a photo as a starting point. The computer software programs have the tools to create unique fine art as an end product.
- Computer Art: Original compositions not enhanced photography.
- Mixed Media: When a minimum of two (2) mediums are COMBINED to create a work of art. For example, pencil plus pen and ink, or pastel plus pencil plus collage. All works of collage fit into mixed media classes.

Definitions:

Professional: One who does artwork mainly for sale, art shows, or galleries, one who has had several years experience, has given art instruction to others, does work to be reproduced as prints for resale purposes, or sells the majority of their work.

Semi-Professional: One who does artwork for sales, who has had advanced instruction, who has publicly shown work in shows or galleries with the intention to sell, and one who has sold artwork for more than a hobby.

Amateur: One who does artwork as a hobby, one who may sell an occasional painting or drawing, and one who may be taking some art instruction.

Novice: A beginner with very limited experience or instruction.

*Superintendent has the discretion to advance entries to the next section up.

PHOTOGRAPHY GENERAL RULES AND REGULATIONS

Exhibitors are limited to 5 photography entries per person due to capacity limitations from current Covid-19 state and local health mandates.

Pre-registration is strongly encouraged as Covid-19 state and local health mandates on building capacity may limit the number of last minute walk in entries.

Please refer to DCF General Rules & Regulations in front of Exhibitor/Premium Book.

- Photos must have been taken within the last two years and NOT previously exhibited at the Deschutes County Fair, including 4-H.
- You cannot enter in more than one division (Adult Novice, Adult Advanced, etc.)
- Exhibitors can only enter photos which they have taken themselves.
- Entry tags may be obtained at the Fair Entry Office. It is the responsibility of the exhibitor to obtain an exhibitor's number and to fill out

the tags completely and properly. Placement into categories is left to your own discretion and honesty. Enter photo into class that best describes it.

- Please title your entry tag (i.e. CATS) with the class number in which it is being entered, so we have no question on the photo, or the photo subject. After the exhibitor's tag is PROPERLY completed, fold up the bottom, remove strings and tape it to the back of the photo on the bottom right-hand corner of the photo as it faces you, with the entry number showing. A clip hanger is provided by the Fair.
- **The maximum picture size is 8"x12". The minimum picture size is 5"x7". The photo size can be anywhere between 5"x7" and 8"x12". Example: photo can be 5"x12".**
- **Total size of entries cannot exceed 8"x12". Foam board backing is to be the same size as your photo.**

Presentation:

- Mount photo on foam core cut to size of photo. We cannot accept construction paper.
- We will not accept wood, glass, plastic, or metal framing. Your name and exhibitor's number must be placed on the back of the foam board. Pictures will not be accepted with writing on the front of the photograph.
- The department superintendent reserves the right to reject any exhibit on the basis of improper or inadequate presentation, or information given on the exhibitor's tag. Exhibitors entering under false pretenses or violations of the rules and regulations will not receive premiums. All exhibits will be displayed according to the information given on the exhibit tag.
- If there is a large category, it may be divided into a smaller subcategory by the superintendents.

Entry Day:

- **To save time, please have your photo entries in numerical order from the lowest to the highest class number.**
- **Please make sure that all strings have been removed from your tags and that your entry tag is positioned in the lower right hand corner of your exhibit as you look at your photo.**

Definitions:

Adult Novice: Person who has not won 3 blue ribbons
Adult Advanced: Professionals, highly trained and those who have won 3 or more blue ribbons.
Youth: Age 13-15 and 16-18. (4-H participants must enter different photos than those used for 4-H exhibit.) Youth who enter photography exhibits in Kid's Corner are not allowed to enter in Dept. Q and will not receive a wristband.
