1. Preheat oven to 350°. Line bottoms of 3 greased 8-in. round baking pans with parchment; grease parchment.
2. In a small bowl, whisk the first 5 ingredients until blended. In a large bowl, cream butter, sugar and lemon zest until light and fluffy, 5-7 minutes. Add eggs, 1 at a time, beating well after each addition. Beat in vanilla. In another bowl, whisk flour, baking powder, baking soda and salt; add to creamed mixture alternately with buttermilk mixture, beating well after each addition.
3. Transfer batter to prepared pans. Bake until a toothpick inserted in center comes out clean, 20-24 minutes. Cool in pans 10 minutes before removing to wire racks; remove parchment. Cool completely.
4. For frosting, in a large bowl, beat butter, cream cheese and lemon zest until smooth. Gradually beat in confectioners' sugar and 1/3 cup lemonade concentrate. If necessary, refrigerate until spreadable, up to 1 hour.
5. Place 1 cake layer on a serving plate. Brush 1 tablespoon lemonade concentrate over cake; spread with 1/2 cup frosting. Repeat layers. Top with remaining cake layer; brush remaining lemonade concentrate over top. Spread remaining frosting over top and side of cake.
6. Decorate with sprinkles. Refrigerate until serving.

## FOOD PRESERVATION GENERAL RULES AND REGULATIONS

- Please refer to DCF General Rules & Regulations in front of the Exhibitor/Premium Book.

### Recipe sources

Fair exhibits serve as a model for would-be food preservers; therefore, the Fair requires that your food preservation exhibits are processed in accordance with current USDA recommended procedures in OSU Extension Instruction Booklets, the National Center for Home Food Preservation web site, So Easy to Preserve (6th edition), or from commercial pectin recipes. The recipes in the most current editions are recommended. For the Ball Blue Book and other Ball canning recipe books listed below the 2020 edition or newer is an accepted resource. Safety precautions were included in the 2024 Ball Blue Book, 38th Edition. It is the preferred Ball printed resource in 2025 and will be the required edition in 2026. Ball recipes found on their web page must be printed and attached to the exhibitor tag. NEW since 2024, recipe names and source information must be listed on the exhibitor tag in the Description section. See details in the exhibitor tag section below.

### Labels must include:

- Round labels required for food preservation exhibits and exhibitor tags with strings are available at the Open Class entry office.
- All entries must have been preserved within the last year. Each item should be entered in the Fair only one time.
- Any entry may be disqualified because of omission of any of the labeling requirements.
- All individual entries must be labeled on the top of the jar, and no labels on the sides of the jar. Flavored vinegar caps may be too small for labels, in this case, labels can be on the backside of jar.
  - Jars included in the Collection exhibits need to be labeled with the labeling information necessary in individual classes. Include recipe source, year published and page number.
  - Include information that applies to your exhibit (freezing, drying and some flavored vinegars will not need canning requirements):

    - Type of pack (raw or hot)
    - Process used (pressure canner, boiling water canner, low temperature pasteurization, dome style steam canner, drying method)
    - Altitude or location canned

## DEPT. L- TABLE DECORATING - TABLE SETTING

An attractively set table is almost as important to a great meal as the food. It can help people relax and add to the appeal of the food at the meal. Creativity is encouraged. Plan your place setting and decoration considering your menu and the class description. Practice at home before you pack your exhibit for display.

- Tables to be set Saturday, July 26, 10:00 am – 6:00 pm. Table settings must be in place and exhibitors must leave premises by 6:00 pm. Remove table exhibits on Monday, August 4 between 10:00 am and 3:00 pm.
- Table space of 18 x 24 inches will be provided, one space per class. Exhibit must stay within the confines of given dimensions and not overhang on any side. The menu printed on a card must be part of the exhibit.
- Exhibitors should refer to “The Oregon 4-H Table Setting Guidelines.” <https://extension.oregonstate.edu/sites/extd8/files/documents/8426/tablesettingguidelinesrev2018rev.pdf>.
- Table setting displays are expected to be the original work of the exhibitor. Photos or representations of the table setting display are not allowed to be used during set up.
- No food permitted on table, with the exception of nonperishable fruits and vegetables.
- Linen, dishware, glassware, flatware and other accessories should be marked with name of owner, but markings must not show when accessories are in place in the exhibits. Reasonable precautions are taken to ensure safety of exhibits, but the Fair assumes no responsibility for loss or damage.
- Any tableware used on an award-winning table may not be used again for two years.
- Adult and Senior classes are judged together. Youth entries are judged separately.
- In the event of a change in the planned or available space, the Superintendent reserves the right to limit entries or reduce space allotments.
- Entrants are encouraged to follow the scorecard for table decorating setting, as it is the basis for judging.

FINE ARTS RULES AND REGULATIONS

Please refer to DCF General Rules & Regulations in front of the Exhibitor/Premium Book.

- No advertisements or ads by professionals. No organization advertisements.
- Do not put phone number on exhibitor tags.
- All items entered should have been completed within the last two years and not previously exhibited at the Deschutes County Fair.
- The goal of the Fine Arts Department is to encourage, educate and reward original works of art. COPIED WORKS for youth classes only. A work is a copy when the problems of composition, color, and essence have been resolved by another, such as an instructor. Thus, a copy is an unfair measure against an original work. No paint-by-number.
- Adult Professional and Semi-Professional sections and classes cannot accept works generated from a classroom or TV setting. Adult Amateur and Novice sections and classes will accept works generated from classroom and TV sources.
- NOTE CHANGE: Maximum size 36" x 40" (including frame). Minimum size 11" x 14" (including frame).
- No Entries accepted after judging starts on Monday, 9 am

Framing:

- All entries must be two dimensional and ready to hang on a wall or they will not be accepted. Paintings on jars or saws may be accepted in Handcrafts (Dept. O).
- All adult entries must be framed with wire on back for hanging ~ no exceptions.
- Standard framing and matting with glass is appropriate.
- Gallery wrap as a form of framing will be accepted. (Gallery wraps – Canvas over edges and stapled on back. Painting is extended out and onto outer edges of canvas).
- No saw tooth hung artwork will be accepted. (Saw tooth - Metal hangers commonly found at hardware stores). Photo frame loops (on back) not accepted.
- All entries in youth classes must be either framed with wire hangers or matted with stiff backing (foam core). No glued or stick-on hangers.
- IF AN ENTRY IS NOT HANG-ABLE IT WILL NOT BE ACCEPTED.
- Suitability of frame or neatness in matting will be considered in accepting exhibits for classes and judging - youth included.
- The Fair Superintendent has the discretion to accept or deny entries. Each case will be considered and discussed to the satisfaction of parties involved.
- No exhibitor will be allowed to enter work in one medium (i.e. oil) as a professional and another medium (i.e. pastel) as a novice. Entries in youth (13-15) cannot enter in adult sections.
- Attach name, address, phone number, and name of section and class entered to back of each exhibit. Hang completed exhibitor tags with string in upper left-hand corner of artwork.
- No personal or other phone number on exhibitor tags. Personal information goes only on the back of the exhibit as directed.
- All entries must be in good taste. Nudes or any material unsuitable for any age will not be accepted, this includes subjects of violence. It is the Superintendent’s decision.
- Computer Art: Original compositions not enhanced photography compiled from images off the computer software.
- Mixed Media: When a minimum of two (2) mediums are COMBINED to create a work of art. For example, pencil plus pen and ink, or pastel plus pencil plus collage. All works of collage fit into mixed media classes.

Definitions:

Professional: One who does artwork mainly for sale, art shows, or galleries, one who has had several years’ experience, has given art instruction to others, does work to be reproduced as prints for resale purposes, or sells the majority of their work.

Semi-Professional: One who does artwork for sales, who has had advanced instruction, who has publicly shown work in shows or galleries with the intention to sell, and one who has sold artwork for more than a hobby.

Amateur: One who does artwork as a hobby, one who may sell an occasional painting or drawing, and one who may be taking some art instruction.
