# FIRST INTERSTATE BANK CENTER

The First Interstate Bank Center, a multi-purpose indoor arena, is our largest building and constitutes 279,000 square feet of space under one roof. It can handle 7,800 people for a concert, 4,000 for rodeos, and 5,000 for basketball; the building is capable of hosting virtually any kind of performance.

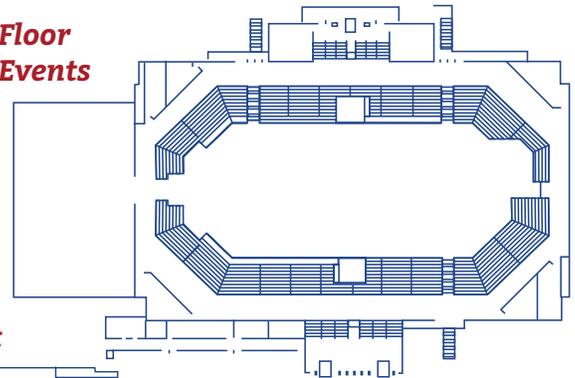

While the performance aspect of the building is a very noticeable feature, the event center has over 40,000 square feet of concrete floor space and over 28,250 square feet of space on a circular concourse. Large concession stands are placed on each end of the building and all public entrances contain ticket booths. The event center is wired for television broadcast, complete with satellite hookup and intercom connection. It has a built-in sound system capable of handling multiple microphones, playing CDs and tapes, and supporting numerous other pieces of sound equipment on a 23-channel mixing console. The building boasts a score clock for sports, a hidden conduit for broadcast cable, and over 800 amps of power. In addition, overhead beams are capable of supporting approximately 75,000 pounds of sound and light equipment to "fly" the show when required.

# EQUESTRIAN & LIVESTOCK COMPLEX

Five well-designed barns are at the heart of the Deschutes Fair and Expo equestrian and livestock complex. Four barns are completely enclosed and one barn is covered. All barns are designed for multi-purpose use with blacktop flooring. Barns are equipped with drop-down electric plugs and plumbed with water for livestock. A total of 400 10x10 stalls, of which 75 are permanent and 325 portable, can be placed in the barns.

## JUNIPER ARENA

Whether staging a concert, motorsport, equestrian show, livestock sale, or pro-rodeo, the Juniper Arena is the perfect location to make your event a Gold Star attraction. The arena offers covered grandstand seating for 2,500 with bleacher seating for 1,000. Arena lighting makes the venue perfect for day or night events. The arena is entirely fenced for additional event security, with ticket booths at the entrance. Additional features include on-site concessions and restrooms. This multi-purpose arena is rodeo ready with permanent roping boxes, pens, and bucking chutes.

## SAGEBRUSH ARENA

The Sagebrush Arena is fully covered for year-round equestrian/livestock use. Located directly behind the First Interstate Bank Center, Sagebrush is the perfect companion/warm-up location to Juniper.

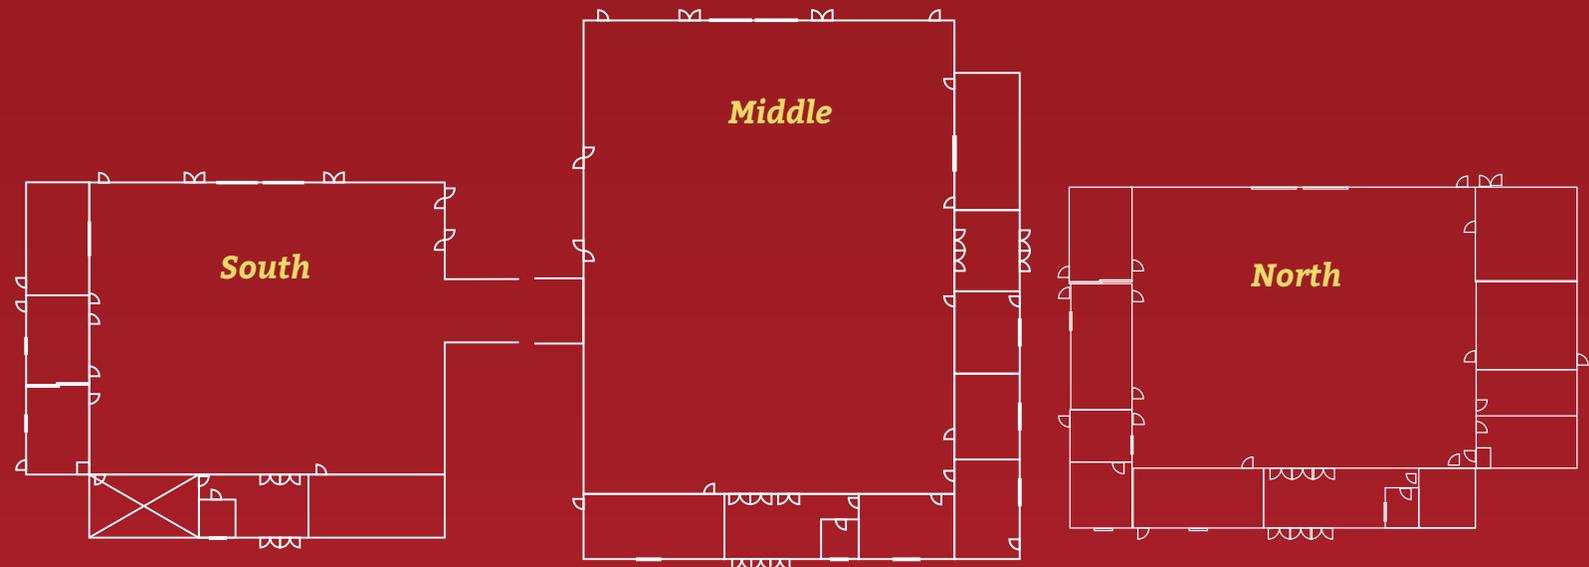

# THREE SISTERS CONFERENCE CENTER

Three main halls named after three beautiful mountains. With 34,000 square feet of meeting space, surrounded by 10 breakout rooms, the Three Sisters Conference Center can accommodate almost any size event while staying functional.
