

I SPY NATURE!

Take photos of the following items with a camera or cell phone. See if you can find them all!

- Something fuzzy
- Something brown
- Something soft
- Something hairy
- Something alive
- A chewed-on leaf
- Two different types of leaves
- Something thin
- Something round
- Something long
- A colorful rock
- Something green
- Something yellow
- Two kinds of seeds
- Something tall
- Something little
- Something rough
- Something smooth
- A feather
- A pinecone
- Something that makes noise
- Something that has a smell
- Something bright
- Something dark
- Something beautiful
- Something ugly
- Something that you think is a treasure

Did you find them all? What was your favorite picture that you took?
