## Air Service

The San Angelo Regional Airport is served by American Eagle with five regional jet flights per day to the American Airlines link at the Dallas-Fort Worth Airport.

## Climate

San Angelo's elevation of 1,900 feet, location on the northern boundary of the Chihuahuan desert, and our proximity to rivers and lakes provide brilliant blue skies and a very pleasant climate. With three lakes and two rivers flowing through the city, San Angelo has an average morning humidity of 79% which drops to a comfortable average of 44% in the afternoons. Temperatures do reach in the 100's during the summer, but low humidity in the 15% to 25% range keeps the "heat index" down. Snow and sleet are not common but will occur once or twice each year. From an employer's standpoint, there are no lost work days because of winter.

The average annual temperature is 64.9 degrees, with average highs of 78.1, and lows of 51.6. San Angelo receives 251 days of sunshine each year, and the average rainfall is 20.45 inches.

# History

San Angelo is the county seat of Tom Green County and is located on U.S. highways 87, 67 and 277, and the Atchison, Topeka and Santa Fe Railway. The city is just west of the geographical center of the state. Founded in 1867 with the establishment of Fort Concho, San Angelo was an early frontier town, characterized by saloons, prostitution, and gambling. Bartholomew (Bart) J. DeWitt was the founder of San Angelo, starting a trading post across the Concho River from the Fort. Originally named Santa Angela after DeWitt's late wife, the name was changed to San Angelo when application was made for a post office.

## Population

**100,031 (2019)**

San Angelo is the largest city in Texas and one of the largest in the U.S. **not connected to an interstate.**

## Accolades

In 2021, state legislature named San Angelo The Visual Arts Capital of Texas, through 2031.

In 2022, San Angelo was awarded by True West Magazine as the #1 True Western Town in America
