

2023 DOUGLAS COUNTY FAIR ENTRY ADD/CHANGE FORM

REFER TO THE DOUGLAS COUNTY FAIR & RODEO COMPETITION RULES FOR:
DIVISION and CLASS NUMBERS, as well as **PROJECT REQUIREMENTS**
Fair Competition Rules are found online at: www.FairAndRodeoFun.com

*If an enrolled 4-H member cannot attend the interview judging because of camp, work schedules, or other legitimate reasons, they can arrange for someone else to bring their completed project to Exhibit Day, to be judged. Please indicate by checking the box below if you are submitting a "Project Only" exhibit and sending your project with another person. All "Project Only" projects must be at the Events Center by 9:00 a.m. on Exhibit Day! Interviews **are not** judged; however, we do encourage members to participate in the interview process as it is one of the many life skills you will learn in 4-H. Members that do not interview could be at a disadvantage in explaining any questions the judge may have about their project. Project Only members may submit an optional one-page cover sheet with their exhibit explaining any details about their project.*
