## A Message from the Chair

DEAN ELLIOT

The 2022 Douglas County Fair & Rodeo is the 104th in the long and storied history of Douglas County Fairs. These events do not happen without countless hours of dedication from so many; the Directors, the Associate Members, the County Staff, the County Commissioners, and many others. Most importantly, the event is not an event without the contributions of all the exhibitors, sponsors, vendors, and most assuredly, you, the attendee. The Fair Board is grateful for your contribution to the Fair & Rodeo and continues to strive to make the experience one you and yours will remember. Our Fair & Rodeo has received many awards in the past and our plan is to continue to grow the Fair & Rodeo experience each and every year; not resting on our successes but challenged to do even better in the years to come.

The Fair Board has several key initiatives that guide its purpose, planning, and implementation of the Fair & Rodeo. One of these is to provide education about the agricultural underpinnings and western heritage that is Douglas County. Each and every activity related to the Fair & Rodeo strives to have an educational component, however subtle it may be. Certainly, as you watch the livestock events, you have the opportunity to learn about what goes into each of these animals by interacting with the youth exhibitor, listening to the comments made during the judging, and by simply observing the many facets of responsibility associated with the care of the livestock on display. Many of the other activities have an educational component; the working skills of ranch work are on display at the rodeo, the historic reasons quilts and other general projects were and are such a critical part of the lifestyle of our agriculturally based community, and the various exhibits that demonstrate science and cultivation techniques related to farming and ranchland management. But even more importantly, you have the opportunity to learn about the people who work each and every day to bring you the produce and products that enable you to maintain your lifestyle. If it were not for the efforts of the dedicated individuals who practice the ideals of our western heritage and agricultural lifestyle, you would likely live your life in a much different way.

The Fair & Rodeo serves as a community event to celebrate the efforts of the County's youth who spend countless hours to bring examples of their best efforts to be shown at the Fair & Rodeo. Whether it be raising an animal, baking a cake, or the skills related to shooting or rocketry; these young people prepare, train, and demonstrate what it takes to bring their best for you to experience. This dedication is a foundational learning that will be ingrained in everything they do throughout the rest of their lives. Not only will this quality be a part of them; it will be present in everything they do so others will see and want to develop this characteristic within themselves.

One of the many characteristics we speak about is resilience, the ability to adapt and overcome any obstacle that may impact our agricultural way of life. This year is no different, what with the turmoil of supply chain issues for a variety of needed products, to price increases in fuel to transport crops and livestock, and the uncertainty of diseases affecting poultry; resilience is required. Through dedication, hard work, and creative thinking, most if not all of these issues can be addressed and resolved. The Fair Board has worked diligently throughout the preceding months to be resilient and developed solutions to many of these obstacles. This determination is awe-inspiring and gives me great pride in the people who make the Fair & Rodeo possible. This event does not happen because of one person; it happens because a whole team of folks come together to make it happen.

It is not only the Fair Board that plays a role in the Fair & Rodeo. The County Commissioners continue to support the efforts of the Fair Board as we work to make each year bigger and better. As we plan each year, the Commissioners are side by side asking how they can help make this event the premier community event we all want the Fair & Rodeo to be. While the Board is charged with the production, implementation and operation of the Fair & Rodeo, it would not be possible without the able support and dedication of the County Staff. The hours each of them spends making things come together behind the scenes cannot be overemphasized. Simply put, this Fair & Rodeo would not happen if it were not for the teamwork that exists and is demonstrated daily, starting on the last day of the preceding Fair & Rodeo. I want to take this opportunity to tip my hat to each of them and thank them for their able support and collaboration.

And to that end, I want to share the excitement we all have for the 2022 Fair & Rodeo. We have expanded the Fair week to include the first Friday, Saturday and Sunday with a variety of fun and different events. Friday will feature our kickoff concert in the outdoor arena following the traditional cattle drive.

The introduction of a barbeque contest, children's activities and the carnival for Saturday will follow the long-established tradition of the Fair Parade. Sunday will feature a farm-to-table event including a car show and carnival. This is an opportunity for our community to come together for some different experiences, all the while learning about what makes Douglas County such a wonderful place. The balance of the week will feature the typical Fair & Rodeo activities. The youth livestock shows will be conducted Tuesday through Friday, culminating in the Jr. Livestock Sale on Friday evening. The Marketplace will feature a variety of vendors and the 4-H exhibits as well as traditional Fair crafts of quilting, canning, and horticulture. The second weekend will also include PRCA rodeo performances, carnival, and the Barn Dance. It is an action-packed event and one we hope to see you several times through out the ten days of Fair.

My sincerest appreciation and thanks to each and everyone who has worked so hard to make this 2022 Douglas County Fair & Rodeo happen. Now let's enjoy the Fair!

A LETTER FROM  
The Douglas County Board of Commissioners

Welcome to the 2022 Douglas County Fair & Rodeo, one of the most honored and celebrated family traditions of the year. Since its humble beginnings as a butter fair in 1892, your family-friendly County Fair has always been a celebration of community and what unites us.

Rooted in our colorful and rich agricultural history, your annual County Fair & Rodeo not only recognizes the importance of this industry in our County and state, this multiple-day event is also packed full of family fun.

From your traditional favorites: 4-H Exhibitors, the PRCA Rodeo, pie-eating contest, live music, carnival rides, petting zoo, stick horse rodeo, and the free pancake breakfast – to what we hope will be new favorites: the Farm to Table Brunch on the Lawn, Vintage Car Show, fabulous food trucks and the Colorado Rib Challenge – there's something for everyone at the 2022 Douglas County Fair & Rodeo.

Allow us to extend our most abundant and sincere thanks to this year's Fair and Rodeo Sponsors, each one of the dedicated community volunteers, our 4-H youth and their families, the Douglas County Fair Board, our CSU/Douglas County Extension staff, and County staff -- whose collective passion and devotion to this event is beyond our greatest expectations.

We hope you will find many big and small reasons to enjoy all the 2022 County Fair & Rodeo has to offer you and your family. May you be blessed today and all days.

Most Sincerely,

Abe Laydon (District I),  
George Teal (District II),  
Lora Thomas (District III)

## FIRST WEEKEND AT THE FAIR

### FARM TO TABLE BRUNCH ON THE LAWN

Sunday, July 31  
11:00 A.M. – 1:00 P.M.

### THE VINTAGE CAR CLUB CAR SHOW

Sunday, July 31  
1:00 P.M. – 3:30 P.M.

## The Vintage Car Club OF CASTLE ROCK

The Vintage Car Club of Castle Rock was founded in 2007 and is a club of over 150 members of car enthusiasts of all ages with all types of cars. We are proud to support an annual Automotive Technology Scholarship for a Douglas County Senior along with a variety of local charities with donations made by the club. The majority of VCC's revenue for these donations is generated by our two annual car shows. The largest is the "Classic Rock Cruise In" Car Show which is in mid-June, the Saturday before Father's Day. It's held in downtown Castle Rock and each year sells out its 300+ spots for the show. Our "Hot Rods in The Village" Car Show is a smaller, more intimate car show with about 100 classic cars held in mid-August at The Village at Castle Pines shops.

We're excited to be involved with the Douglas County Fair & Rodeo this year to put on a car show for the Fair & Rodeo spectators.

We enjoy being able to be able to give back to the community  
and promote a love of cars for future generations.

### JOIN US AT THE CAR SHOW!

Sunday, July 31

## General Guest Conduct

- **Smoking and/or vaping** is not allowed in any public buildings, or within 100' of any building entrance.
- **Personal golf carts, ATV's, motorized scooters or bicycles** are not allowed on the Fairgrounds during County Fair.
- **Dogs** are not allowed on the Fairgrounds during County Fair except for those dogs that are competing or performing during the Fair. Owners / Handlers must keep dogs under constant control. Under the ADA regulations, assistance animals are allowed.
- **Alcohol** is not to be brought onto the grounds and will be sold in designated areas only on the Fairgrounds during County Fair: Midway, Events Center and Indoor Arena. Otherwise, alcohol cannot be consumed or carried anywhere else on the grounds. No alcohol in any livestock barn.
- **Fireworks** are not allowed on the Fairgrounds.
- **Flyers and/or sale bills** may not be passed out in any areas of the Fairgrounds, with the exception of within a paid vendor booth space.
- **Placing flyers on automobiles** is prohibited.
- **Parking** vehicles for advertising purposes or sale of a vehicle is prohibited.
- **Any public display of photos or video** of any Douglas County Fair event, concert or rodeo for public dissemination without express written consent from Douglas County is strictly prohibited.
- **Douglas County Fair may take photos** of guests, contestants, employees and volunteers. These photos shall be the property of Douglas County and may be used by Douglas County Fair Management for educational or promotional materials.
- All guests, contestants and participants are **subject to a search** by security personnel.
- **All ticket sales are final** – no credits, refunds or exchanges. Douglas County Fair retains the right to refuse admittance to anyone.

## DOUGLAS COUNTY FAIR & RODEO Care & Treatment of Animals

The Douglas County Fair & Rodeo is committed to the proper care and treatment of all livestock associated with the Douglas County Fair & Rodeo. We strive to promote and preserve our Western Heritage in the safest manner for our animals, exhibitors, contestants, and guests. Management and personnel of the Douglas County Fair & Rodeo have extensive knowledge and understanding in all sectors of the livestock industry as well as the sport of rodeo. These people routinely put the needs of the livestock before their own.

Our rodeo performances are proudly sanctioned by the Professional Rodeo Cowboys Association (PRCA), the largest and oldest rodeo sanctioning body in the world. Together, the Douglas County Fair & Rodeo Management and the PRCA enforce more than 70 rules that govern the care and treatment of livestock participating in rodeo events. These are the strongest rules enforced by any rodeo organization. Pro Rodeo Officials, as well as the on-site veterinarian, assess each animal prior to competition to ensure all livestock are well-suited and fit for competition. In addition, a veterinarian is on-site during each performance.

4-H Junior Livestock Shows and educational programs promote hands-on learning and help develop life skills. The hard work, dedication, respect, and responsibility learned from working with and caring for animals aids 4-H youth in developing into tomorrow's leaders. Exhibitors adhere to The Douglas County Fair & Rodeo Competition Rules and the 4-H Code of Conduct, which helps ensure the safety and welfare of the animals and exhibitors alike.

The Douglas County Fair & Rodeo is proud to be continuing the western way of life and will continue to address issues, especially livestock welfare, with a productive approach. We would like to thank Littleton Equine Medical Center for being the Douglas County Fair & Rodeo's official veterinarian.

## CASTLEROCK AUTOPLEX PRCA RODEO

### OUTDOOR ARENA

CASTLEROCK AUTOPLEX and the Douglas County Fair Board present the greatest sport on dirt with four exciting ProRodeos that feature contestants from the Professional Rodeo Cowboys Association and Women's Professional Rodeo Association. Thursday night's performance features Roughstock ONLY with Bares, Broncs & Bulls. Friday, Saturday, and Sunday performances will have Bareback Riding, Steer Wrestling, Saddle Bronc Riding, Tie-down Roping, Team Roping, Barrel Racing, and conclude with Bull Riding. Come to the PRCA Rodeos and see the award-winning animal athletes perform and cheer on your favorite contestants. We are ProRodeo!

### Bares, Broncs & Bulls – Roughstock at The Rock

TICKETED EVENT

THURSDAY, AUGUST 4 • 7:00 P.M.

Professional rodeo action consists of two types of competitions - roughstock events and timed events. New in '22, the roughstock events of bareback riding, saddle bronc riding and bull riding will have their own fully sanctioned night in the Outdoor Arena on Thursday, August 4 at Bares, Broncs & Bulls - Roughstock at The Rock. In these events, the contestant is scored on both the animal's performance and their own. In order to score, the cowboy must stay on the animal while using just one hand to hold on for eight seconds. Combining the thrill of Bareback Riding with nothing more to hang on to than a riggin', rodeo's classic event, Saddle Bronc Riding, and the most dangerous sport on dirt, Bull Riding, this night will be sure to get your adrenaline running. Watch top ProRodeo athletes "make an ugly face and nod" as they compete for \$10,000 in purse money for an eight-second ride.

### Patriot ProRodeo

TICKETED EVENT

FRIDAY, AUGUST 5 • 7:00 P.M.

Join us in honoring our veterans and military personnel. Show your military ID (active or retired) and receive 1 free rodeo ticket and a commemorative Douglas County Fair & Rodeo limited edition challenge coin courtesy of JACOBS Engineering. Wear your red, white, and blue and show your support!

### ProRodeo

TICKETED EVENT

SATURDAY, AUGUST 6 • 7:00 P.M.

Tonight we recognize our sponsors and community support that help make the Douglas County Fair & Rodeo happen each year. Catch all the action from our grandstands as ProRodeo contestants and the animal athletes compete for their share of the \$80,000 purse.

### Cowboys for Cops & P.S. Miller Family Day at the Fair

TICKETED EVENT

SUNDAY, AUGUST 7 • 1:00 P.M.

Honoring P.S. Miller and his numerous philanthropic generosity for Douglas County, enjoy free grounds admission to the Fair... courtesy of CORE while supporting local Law Enforcement Officers. The **Colorado State Patrol** (our opening ceremonies presenter), Douglas County Sheriff's Department, Castle Rock Police, Lone Tree Police and Parker Police Departments will be recognized. Wear blue and show your support for those who put their lives on the line daily for our safety and security.

## PRORODEO EVENTS ROCK THE STOCK IN CASTLE ROCK

\*Current Douglas County Fair & Rodeo arena records

### BAREBACK RIDING

Both the rider and the bucking horse are judged in this event. It is a single-handhold, eight-second ride that starts with the cowboy's feet held in a position over the break of the horse's shoulders until the horse's front feet touch the ground first jump out of the chute. The rider earns points maintaining upper body control while moving his feet in a toes-turned-out rhythmic motion in time with the horse's bucking action. Points are awarded by the judges, up to 50 for the animal athlete and up to 50 for the cowboy's performance.

\*88.5 points in 2021 Orin Larsen  
on Summit Pro Rodeo's Hillbilly

### SADDLE BRONC RIDING

Known as rodeo's classic event, saddle bronc riding is judged similarly to bareback riding, but there are additional possibilities to being disqualified; that is, losing a stirrup or dropping the thickly braided rein that is attached to the horse's halter. The cowboy sits on the horse differently due to the saddle and rein, and the spurring motion covers a different area of the horse. Saddle bronc horses are usually several hundred pounds heavier than bareback horses and generally buck in a slower manner. Points are awarded by the judges, up to 50 for the animal athlete and 50 for the cowboy's performance.

\*89.5 points in 2021 Chase Brooks on Summit Pro Rodeo's Kangaroo Lou

### STEER WRESTLING

This event was originally called "bull dogging" and requires the cowboy to leap from the running horse onto the back of a 600-pound steer, catch it behind the horns, stop the steer's forward momentum and wrestle it to the ground with all four of its legs pointing the same direction to stop the clock. The bulldogger is assisted by the hazer, typically another competitor, who rides along the steer's right to keep the animal running straight. This is a timed event.

\*3.5 seconds

2008 Seth Brockman

2008 Chad Van Campen

2018 Kalane Anders

### TIE-DOWN ROPING

Tie-down roping is an authentic ranch skill that originated from working cowboys. Once the calf has been roped, the cowboy dismounts and runs down the length of the rope to the calf. When the calf is on the ground, the cowboy ties three legs together with a six-foot pigging string. Calves are given a head start, and if the cowboy's horse leaves the box too soon, a barrier breaks and a 10-second penalty is added to the roper's time. A fraction of a second can make the difference between winning and losing in all timed events. Tie-down roping is a timed event.

\*7.8 seconds in 2007 Brandon Neugebauer

## WOMEN'S BARREL RACING

This event is a horse race with turns. The cowgirl's time begins as she rides her horse across the starting line in the arena. She makes a run around three upright barrels, which are in a cloverleaf pattern, and back to the starting line where the clock stops. Tipping a barrel is permitted, but if it is knocked to the ground, a five-second penalty is added to her time. Fastest time wins.

**\*16.29 seconds in 2017 Cassidy Kruse**

## TEAM ROPING

Team roping is the only rodeo event that features two contestants. The team consists of a header and a heeler.

The header ropes the horns, then dallies or wraps his rope around his saddle horn and turns the steer to the left for the other cowboy who ropes the heels. The heeler must throw a loop with precision timing to catch both of the steer's hind legs; only catching one leg results in a five-second penalty. The time clock stops once both ropers have made a catch and brought the animals to a stop, facing each other. This is a timed event.

**\*4.7 seconds in 2020 Kaleb Driggers & Carson Johnson**

Photo Credit for Rodeo Photos: BQGauck Photography

## BULL RIDING

Bull riders, who might not weigh more than 150 pounds, place a flat braided rope around a bull that weighs almost 2,000 pounds. The bull rope is placed around the animal, just behind its shoulders. It is then looped and threaded through itself, and the cowboy wraps it around his riding hand with only his grip holding him in place. The rider relies on balance and leg strength to make the eight-second buzzer. Look for bull riders to sit up close to their bull ropes and turn their toes out because rides are judged on the competitor's riding style and the bull's bucking ability. Points are awarded by the judges up to 50 for the animal athlete and up to 50 for the cowboy's performance.

**\*87.5 Points in 2019 Dalle Mason on Summit ProRodeo's High 5**

## Honoring One of Our Own

### MAKAYLA DAME

Makayla was a senior at Ponderosa High School and a long time member of the Douglas County 4-H community. She was 17 years old when she tragically passed away in a motor vehicle accident on Parker Road while returning home with friends from a hunting trip on December 12, 2021.

Makayla was well loved, admired and respected by her family, friends and peers. She was planning on attending GCU in Arizona where she wanted to study to become an anesthesiologist because she wanted to help people.

Over the past several years she collected numerous medals, awards and champion belt buckles at shotgun shooting events with SCTP, NSCA and 4-H. Last year she attended 4-H Nationals in Grand Island, NE and represented the State of Colorado with pride. She was a fierce competitor in shotgun sports but also on the soccer field. She was a four-year varsity letter earner for Ponderosa High School and was named a team captain. Makayla was a talented artist who loved photography and animals but she will be mostly remembered as a loyal and trustworthy friend. Her absence leaves a hole in the heart of her family, friends and 4-H communities.

The Colorado State Patrol has created a "Click It for Makayla" campaign for Douglas County Fair & Rodeo in honor of Makayla. CSP hopes that everyone, every time, will buckle up. A seat belt can make all the difference.

The Douglas County Shooting Sports Advisory Committee has named their good sportsmanship award in Makayla's memory. She truly exemplified all that good sportsmanship entails not only in competition but in her everyday life.

Jan. 18, 2022

**Dear Douglas County 4-H Community and Douglas County Fair Board,**

*On behalf of our family, we would like to extend our heartfelt gratitude to all of the community members who have supported us through this difficult time. All the calls, texts, meal deliveries, and gestures of remembrance help to ease the pain of Makayla's absence. We were overwhelmed by the turnout at her service and regret that we didn't get a chance to hug and thank each of you personally for your support. The 4-H community has been so kind to us. We have received support from 4-H clubs all the way from North Dakota and Idaho. It's a real testament to the 4-H family, we rally around our own. We also hope that you will seek support when you need it and that you will honor Makayla's life by taking care of each other, being kind and buckling your seatbelt EVERY time you get into a car. We will continue to look for ways to remember and honor Makayla, her friends, family and her 4-H community. It's our desire to search for some good to come out of all of this sadness. Please don't be a stranger.*

*Gratefully,  
David, Kim, and Jacob Dame*

## Building on a Legacy

NICK SUMMERVILL

Giving back is something the Summervill's are incredibly good at. As 4-H alumni, Nick Summervill was one of the early Livestock Educational Grant recipients who raised a 1,400+ pound Santa Gertrudis steer donated by James Holmes and Cherokee Ranch. His steer, named Nitro, taught him about perseverance, dedication and try, and provided an opportunity he would otherwise not have had. Proceeds from his steer that year at the Jr. Livestock Sale helped finance his Kansas State University schooling where he studied Tech Management. Nick's younger siblings, Ethan and Kenzie are also avid 4-H members and introduced him to shooting sports where he competed in 22 Rifle and Shot Gun while still in the program. Ethan, Kenzie, and their parents are highly active in supporting the various 4-H Clubs and events, with Kenzie even taking a leadership role as the 4-H Youth Council President.

Happenstance has brought him full circle in his new role as General Manager of the new LIBERTY Express Wash in Castle Rock. Nick realizes the value of supporting the youth of Douglas County and the history related to the overall Fair & Rodeo. "It's important to me to be able to give back and support the Fair & Rodeo. I have a lot of great memories growing up and learning life lessons through 4-H and Fair activities and we're excited to be a part of bringing the 104th Douglas County Fair & Rodeo to the community."

Check out the coupon inside this Souvenir Program for a discount on an advance technology car wash and make sure you stop by LIBERTY Express Wash (near Founders and 86) to say "Hi" to Nick and the crew. Special thanks to the buyers at the Jr. Livestock Sale who help create future leaders!

## HONORING THOSE WHO PAVED THE WAY.

Since 1979, over 300 cowboys, cowgirls, livestock, and rodeo committees have been inducted into the ProRodeo Hall of Fame & Museum of the American Cowboy. Visit the only place in the world dedicated to the colorful history & equally colorful legends of professional rodeo.

## The Man Behind the Sale

### DR. PHILLIP J. RIESSELMAN, DDS

Phil is best known to everyone as Chairman of the Jr. Livestock Sale. His passion, dedication and commitment to the Sale speak for itself. Phil has been on the Douglas County Fair & Rodeo Fair Board since 1995 having started working with Cap Bell on the Jr. Livestock Sale Committee. One of his first assigned jobs was to run the parking lot and park cars! He became the Jr. Livestock Sale Chairman when Cap Bell left in 1998.

Phil was the Fair Board President from 2004 to 2006. He joined the Douglas County Fair Foundation at its onset, served on its marketing committee and is currently the chairman of the Livestock Educational Grant Committee. He worked with then Commissioner Roger Partridge and Cherokee Ranch's James Holmes to start the program with its first donated calf in 2014. The now successful program has grown and includes steers, hogs, sheep, goats, rabbits and most recently poultry.

Riesselman states, "It's definitely a lot of hard work that pays off in more than dollars." Phil was awarded the "Meritorious Service Award in 1999 at 4-H achievement night and the FFA Honoree Member Award in 2006. Phil was inducted into the Wall of Honor at the fairgrounds Heritage Plaza in recognition of his exemplary service, leadership, dedication and commitment to the Douglas County Fair & Rodeo in 2019.

A native of Colorado, Phil was raised in the Plum creek area next to Riverside Acres; which is now the Chatfield State Park area. He was the fifth in a family of eight children. He grew up around horses where he and his family would go on long trail rides up Plum Creek. He remembers going to the Douglas County Fair as a youngster to watch his father race "Buck 49" in the Quarter Horse Sprint on the track. Yes, the fair had a racetrack! His first 4-H project was in Entomology.

Born in 1950, he attended Plum Creek Elementary School and then the Douglas County Jr. High School, which was in the old high school on Wilcox Street in Castle Rock. He participated in band, football, track, and swam as a member of the DU Hilltoppers in a youth swimming league. Phil won first place medals at the state music contest for the bass clarinet.

Riesselman then attended the Douglas County High School and participated in several activities. Phil continued in band, playing the clarinet, alto saxophone, baritone saxophone, and bass clarinet. He won several state medals at the state music contest. He was in several school musicals (Bye Bye Birdie, Little Mary Sunshine, and Carnival). Honored in high school with several band awards, he played in the dance band, the orchestra, and the pep band. Phil was given the first chair in the state band contests for alto saxophone and played in the orchestra that consisted of all top honored musicians in the state. He played football all four years as an interior lineman and linebacker, continued swimming and participated in the AAU and Junior Olympics. Phil was a gold medal winner in the breaststroke, the IM, and Medley relay. In addition, he started to ski and joined the Eskimo ski club, taking the train to Winter Park each weekend.

After graduating high school in 1968, Phil attended Regis University, and graduated cum laude in premed with a major in Biology, and minors in Chemistry & Philosophy. He was awarded the biology student of year in 1971, a swimming scholarship and an academic scholarship. He swam all 4 years breaking school records in distance swimming and the backstroke events. Unfortunately, he stopped participating in music, which he regrets to this day. Throughout college, he continued to ski, which became his favorite activity. He always had the horseman in him, especially as he was seen riding his horse on campus during Ranger Days at Regis College and consequently got in BIG TROUBLE with the grounds staff, by leaving "slide" marks on the manicured lawns while stopping "Susy Q" at full speed!

Graduating college in 1972 and being accepted into Loyola University Dental School, several jobs helped pay his way. He helped coach a swimming team, was a lab assistant, worked as a security guard at a hotel, and at the newly built Sears Tower in Chicago. In dental school he met his first wife, Dianne, (a

dental hygiene student) and was married in 1974. He graduated dental school in May of 1976 and headed home with a new baby (Amy) and new DDS degree! Phil started a practice in downtown Aurora in 1976 and had a son (Scott), two years later. Son, Kyle, followed and eventually the family moved out to Franktown where he lives today. He had his own dental practice in Aurora until 2004 when he joined Dental One and became a corporate dentist. He worked with Dental One Partners for over 12 years until he retired on December 31, 2016.

During these years, Phil continued to ski with his family, and enjoyed teaching them. He trained and joined the Loveland Ski Patrol as a National Ski patrol member in 1980, becoming the National Ski Patrol director at Loveland and the head trainer for new ski patrolmen teaching ski techniques and toboggan handling. Being trained in avalanche rescue and backcountry rescue he was awarded a national number (6792) in 1987. Riesselman was a ski patrolman for 17 years until he joined the Winkler Cattle Company.

In 1990, he married Karen Longworth Mullins and became a stepfather of Joe and Jameson Mullins. He worked at the

Winkler Ranch for 22 years until the ranch was sold. In 2006, Karen passed after a battle with breast cancer.

April 11, 2009, he married Jeanne Niehus Shropshire and became the stepfather of Tyler Heaton, Lisa and Greg Daly. He and Jeanne have 15 grandchildren between their children and stepchildren.

Phil currently works at the Community College of Denver at the Dental Hygiene School. He serves as an adjunct clinic instructor and still does dentistry for the low-income clinic at the school for the patients who have been seen by the students. Phil also has a driveway business installing gravel driveways and has been doing that for 5 years (in his spare time!). Phil now goes camping and fishing with his wife, Jeanne, and loves spending time with his children and siblings.

And now you know more about the man behind the Sale. Quite a remarkable life!

**Colorado State University Extension Mission Statement**  
Empower Coloradans to address important and emerging community issues using dynamic, science-based educational resources.

**Colorado 4-H Mission**  
4-H empowers youth to reach their full potential by working and learning in partnership with caring adults.

**4-H Foundation**  
The mission statement of the Douglas County 4-H Foundation is comprised of community leaders working collectively to obtain funding sources that provide Douglas County 4-H members academic scholarship opportunities, financial grants for educational experience and learning opportunities that prepare them for their future.

The Fair Board strives to make the Douglas County Fair & Rodeo the premier annual community event in Douglas County by bringing together the best of Rural Heritage, Agriculture, Western Sports, Youth & Adult Exhibits and Quality Entertainment.

The Douglas County Fair Foundation supports the Douglas County Fair & Rodeo by promoting education and year-round community involvement to expand and enhance the overall Fair & Rodeo experience.

**Colorado Agricultural Leadership Foundation**  
CALF connects all people to agriculture through authentic educational programs, community projects, and leadership opportunities. We aim to inspire lives, nurture leaders, and build lasting relationships.

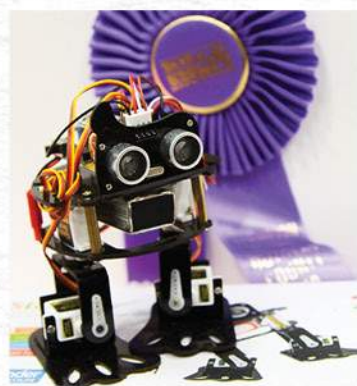

## DOUGLAS COUNTY 4-H FOUNDATION

The Douglas County 4-H Foundation was established due to the philanthropic generosity of Mr. P.S. Miller a long time resident of Douglas County (Castle Rock), Colorado. Mr. Miller passed away on June 7, 1995 at Ninety-Nine years of age. Joe Julian, the Douglas County Director of CSU Extension, along with many agriculture enthusiasts established the Douglas County 4-H Foundation, Inc. a 501 (c) (3) in the year 1997. A few of the many 4-H Foundation members involved over the years include: Terra Thorpe, Paul Clayton, Daniel Cook, Karen Serafini, Larry Camahan, Russ Squires and Dan Danser.

The mission statement of the Douglas County 4-H Foundation is comprised of community leaders working collectively to obtain funding sources that provide Douglas County 4-H members academic scholarship opportunities, financial grants for educational experience and learning opportunities that prepare them for their future. This also enables our 4-H members to excel in their projects, develop life skills, contribute to their community and grow into valuable young adults.

The vision of the Douglas County 4-H Foundation is to generate and distribute resources to support programs that increase achievement, foster lifelong learning, develop citizenship and provide Douglas County 4-H youth opportunities to become contributing citizens.

We assist our Douglas County 4-H members by donating a specific amount of funds to help the members attend Local, State, Regional and National 4-H Leadership events. We also offer 4-H project grant money for all projects (please see the new website for specific details) excluding livestock projects. This is due to an agreement between the Douglas County 4-H Foundation and the Douglas County Fair Foundation that provides our 4-H members opportunities in the livestock division. We have scholarship opportunities for long term, in good standing Douglas County 4-H club members who plan to attend four year colleges or universities.

### BREAKING NEWS FROM THE 4-H FOUNDATION BOARD

#### SCHOLARSHIPS

High School graduates who are in good standing and long term Douglas County 4-H members starting in 2023 will have opportunities to apply for scholarships to accredited Junior Colleges and Trade Schools.

#### WEBSITE

Coming Soon the Douglas County 4-H Foundation will have our own website for our 4-H members and community to explore!

#### VOLUNTEERS

We are always looking for people to participate with our Douglas County 4-H Foundation. If you are interested please send an email to: [dc4hgrants@gmail.com](mailto:dc4hgrants@gmail.com)

**The 4-H Foundation is the proud sponsor of the Pie Eating Contest and the Blind Man Tractor Drive.**  
**Free and open for ALL folks at the Fair!** (Events have some requirements.)  
**Please find us and come join in on the fun!**

## DOUGLAS COUNTY 4-H

### TO MAKE THE BEST BETTER

4-H is delivered by Colorado State University Extension ---- a community of more than 100 public universities across the nation that provides experiences where young people learn by doing. For more than 100 years, 4-H has welcomed young people of all beliefs and backgrounds, giving kids a voice to express who they are and how they make their lives and communities better. Through life-changing 4-H programs, nearly six million kids have taken on critical societal issues, such as addressing community health inequities, engaging in civil discourse and advocating for equity and inclusion for all.

#### 4-H WAY

4-H empowers young people with the skills to lead for a lifetime. It's a research-based experience that includes a mentor, a hands-on project, and a meaningful leadership opportunity.

#### 4-H COMMUNITY

4-H reaches almost six million young people through our community of 100 public universities. Programs are delivered by 3,500 4-H professionals and 500,000 volunteers. Young people experience 4-H through school and community clubs, in-school and after-school programs and 4-H camps.

#### 4-H PROGRAMMING

Based on their interests and guided by adult mentors, youth develop their own pathway in 4-H. They select from a broad menu of local 4-H programs. There are hands-on, learn-by doing, opportunities for everyone.

**QUESTIONS? Please call the 4-H Office at 720-733-6940**

## NATIONAL FFA ORGANIZATION

The National FFA Organization or FFA, as it is more commonly known is a premier student leadership organization for middle school and high school students. The letters FFA are a part of our history and our heritage harkening back to the early 1900's. The organization has evolved over the years but has stayed true to the precepts of personal growth, career success and premier leadership. FFA welcomes members and teaches skills to students who aspire to careers not only in agriculture, but also as teachers, doctors, scientists, business owners and more.

Douglas County FFA remains committed to each individual student in guiding them and helping them achieve their personal goals. As a Chapter, we focus on the FFA model of "Learning to Do, Doing to Learn, Earning to Live, Living to Serve". We also encourage members to get involved in Leadership Development Events and Career Development Events which offers students the opportunity to compete in events that relate to possible future careers or interests.

## Caitlin Dempsey

### 2022 DOUGLAS COUNTY FAIR & RODEO QUEEN

Hi, my name is Caitlin Dempsey, and I am the 2022 Douglas County Fair & Rodeo Queen. I have had the horse bug since the day I was born, and it is something that has always interested me. So, when I was around 8 years old, I started taking lessons and have been riding ever since. As part of the agriculture program in high school, I learned about the ag industry and the kind of impact it has on our society. When I turned fifteen, I got my first horse (Lily), who you will see at the rodeos this summer. Lily is a 16-year-old, gray American Quarter Horse and has taught me so much. Keep an eye out for us and please come say hello!

Outside of horses and rodeo I am going to film school where I'm majoring in acting and directing. I have had a passion for filmmaking and photography and my ultimate dream would be to find a way to combine my love for horses and film. Another fun hobby I enjoy is performing with my drill team. As part of this group of twenty-four girls, we perform together at rodeos and events all over Colorado. This team has strengthened the connection with me and my horse in ways I couldn't even imagine. In addition to the drill team, my dad has supported me through all these moments that have led me to this point in my life. I wouldn't be the person I am today without this support system by my side, and I am so blessed to have them!

I am so happy to share this beautiful sport of rodeo with you all and can't wait to see you at our annual Fair & Rodeo in August. I've always been a huge fan of rodeo and have been going to them since a very young age. There are so many great memories with my family going to see rodeos and I hope that you all can make just as great memories when you come and join us in Castle Rock. At Douglas County Fair & Rodeo there is something for everyone to enjoy and that's the best part! I feel so honored to represent this beautiful sport that I love so much. My goal with having this title is to educate the public on rodeos and make people more aware of how much the agriculture industry plays into their daily lives; it's such an important topic that people don't know enough about. **This is going to be a great year and Lily and I can't wait to see you all this summer!**

## Taylor Evans

### 2022 DOUGLAS COUNTY FAIR & RODEO QUEEN ATTENDANT

Hello! My name is Taylor Evans and I'm the 2022 Queen Attendant. I grew up in what used to be smaller Elizabeth. I've been around the agricultural lifestyle my whole life. My father started me young with hunting and fishing and it is still a huge part of my life. I will always remember going to the Elizabeth Stampede and the Douglas County Fair Grounds when I was little and loving everything that happened in the arenas. I didn't participate in 4-H, but I found myself loving to help around my god-parents cattle ranch.

I currently live in Parker with my parents and younger sister. My family is some of the biggest supporters I know. I can always count on them to be in the stands at any rodeo or other events I may be participating in. They play a huge role in my title. My dad will trailer my horse for me and my mother helps with everything else; the makeup, hair, clothing and making sure I stay on schedule. My grandfather and grandmother are right next to them cheering me on. I must also thank our family friends the Wheeler's and the Worley's for putting in the time to train with me and being a huge introductory part of horsemanship and the basics of rodeo fun.

## Clara Griffith

### 2022 DOUGLAS COUNTY FAIR & RODEO PRINCESS

Hi Y'all! My name is Clara Griffith; I am excited to serve as the 2022 Douglas County Fair & Rodeo Princess. I am 16 years old and a sophomore at Ponderosa High School. I live with my two amazing parents, and my two awesome younger sisters. My family is very involved in 4-H in Douglas County, as my mom is our Horse leader, and my dad is our Shooting Sports leader. I participate in many different activities, including Skills USA, 4-H, Royalty, my church Worship Group, and also enjoy spending time snowmobiling, 4-wheeling, fixing my 79' Ford Truck, and generally enjoying rural living in this great County. I take my schooling very seriously and plan on furthering my education by pursuing an engineering degree in college.

I have been a member of 4-H for 9 years, participating in the horse project, market beef, market swine, and shooting sports. In the horse project I have progressed through the four levels of horsemanship in the Western Division, and this past year I won the High Point Buckle in the Western Level 4 Division at State Fair. I just started showing steers last year, and while it is different from showing horses, I have fallen in love with it. This year my steer's name is Charlie!

My family has 5 horses where we live, but my baby is my horse Crownie. I got him back in 2017 and we have come a long way together. Our favorite thing to do is the cattle classes, specifically Working Ranch Horse. We compete through COVRHA and AQHA, and are working towards competing at the AQHA Versatility Ranch Horse World Show in 2023. Crownie has been such a fun horse to figure out, and we have been very successful together. You can find all of us riding at numerous events in Colorado and of course at the Douglas County Fair & Rodeo.

The Douglas County Fair & Rodeo has an extremely fun and action-packed year ahead. I am excited to be an ambassador for my hometown rodeo. There is something for everyone at the Douglas County Fair & Rodeo, from bucking bulls to carnival games, and never a dull moment. Crownie, Charlie and I cannot wait to see you at the 4-H exhibits and local events! See you there!

## Sofia Foss

### 2022 DOUGLAS COUNTY FAIR & RODEO PRINCESS ATTENDANT

Hi, my name is Sofia Foss and I am the 2022 Douglas County Fair & Rodeo Princess Attendant. I have grown up in Castle Rock since I was five years old and am now 12. In August of 2022, right after Fair I will be starting my first year as a Blue Knight of Castle Rock Middle School.

I have been in 4-H since I was eight years old and am so excited to continue my 4-H journey including cake decorating, goats and this year archery. It's never too early to start thinking about high school and college, and right now I plan on attending Castle View High School and hopefully Florida State University where I would like to major in teaching with a minor in Interior Design.

I am so excited to see everyone at the Douglas County Fair & Rodeo July 29-August 7, 2022!

## AGRICULTURE & FLORICULTURE OPEN CLASS EXHIBITS

**Be a part of Douglas County's agricultural heritage!**

Join your friends and neighbors in contributing to the hundreds of garden crops, forage crops, cut flowers, flower arrangements, houseplants, eggs, and honey on display in the Events Center Marketplace each year. Whether you're a seasoned green thumb or a newly minted gardener, we're waiting for your entry.

Agriculture and Floriculture contests are open to all,  
with special contests for kids and seniors!

Three Best-in-Show rosettes went to first-time fair exhibitors in 2021! Will you take home a ribbon?

### Marketplace Open To The Public

Friday, August 5	12:00 P.M. - 9:00 P.M.
Saturday, August 6	10:00 P.M. - 9:00 P.M.
Sunday, August 7	9:00 A.M. - 4:00 P.M.

### Entry Day

Thursday, August 4 • 7:00 A.M. - 11:00 A.M.  
James R. Sullivan Events Center

### Judging Open to the Public

Thursday, August 4 • 1:00 P.M.  
James R. Sullivan Events Center

### HAVE GARDENING QUESTIONS?

Visit the Colorado Master Gardeners during the Events Center Marketplace hours.

## CREATIVE ARTS OPEN CLASS EXHIBITS

The Douglas County Fair & Rodeo is the biggest event of the year! The early Douglas County Fairs always had competitions similar to what is Creative Arts Open Class today. The members of the community brought their finest sewing, crocheting, quilting, jams, jellies, and canned goods along with breads and pies. They made cradles, benches, leather crafts and so much more to enter in the fair. Creative Arts Open Class is located in the Marketplace. Want to be a part of this legacy? On Entry Day bring those new recipes, crafts, photos, paintings, quilts, home arts, baked and canned goods to exhibit.

**Creative Arts is open to all children, students, adults, seniors, first-time entrants, seasoned veterans, amateurs, and professionals.**

Enter your creations and compete in a variety of categories where everyone has the chance to win ribbons, cash prizes and most importantly.... bragging rights!

There are many special awards: the Seniors Department has awards for the Oldest Exhibitor of Douglas County, the Most Unique Recycled Item and Baking has the Commissioner's Cookie Jar award. Vote for Viewer's Choice Award in each department!

### Entry Day

Sunday, July 31 • 12:00 P.M. – 4:00 P.M.  
James R. Sullivan Events Center

### Judging QUILTS

Monday, August 1 • 9:00 A.M.  
James R. Sullivan Events Center  
All other departments are closed to the public.

### Marketplace Open To The Public

Friday, August 5	12:00 P.M. – 9:00 P.M.
Saturday, August 6	10:00 P.M. – 9:00 P.M.
Sunday, August 7	9:00 A.M. – 4:00 P.M.

## LOCATED INSIDE THE JAMES R. SULLIVAN EVENTS CENTER

Something for everyone and an experience in itself: the Marketplace offers a unique shopping opportunity for Douglas County Fair & Rodeo guests. Inside you will find artisans, crafters, treasures from days gone by and boutiques chalked full of trendy western fashion! You name it, we've got it. Hats, clothing, purses, accessories, home décor, bath & body and more!

The Marketplace is also home to the Creative Arts, Agriculture & Floriculture Exhibits, 4-H General Projects, and CALF's Discovery Ranch. See handmade quilts, pies, jams, jewelry, paintings, photographs and crafts, homegrown vegetables, floral arrangements and more!

# DOUGLAS COUNTY FAIR FOUNDATION

*Celebrating a Douglas County Tradition*

[www.DouglasCountyFairFoundation.com](http://www.DouglasCountyFairFoundation.com)

[DouglasCountyFairFoundation@gmail.com](mailto:DouglasCountyFairFoundation@gmail.com)

Visit us on Facebook!

[Facebook.com DouglasCountyFairFoundation](https://www.facebook.com/DouglasCountyFairFoundation)

This year we celebrate 10 YEARS!! In March 2012 the Douglas County Fair Foundation was formed to support the Douglas County Fair & Rodeo by promoting education and year-round community involvement to expand and enhance the overall Fair & Rodeo experience. The Fair Foundation is an all-volunteer Board of Directors made up of community leaders, dedicated citizens and current and former Fair Board members all with a common interest in ensuring the County Fair continues for generations to come.

## FOUNDATION GOALS

- Raise money through multiple fundraising activities throughout each year
- Provide a contribution platform for designated gifts and/or sponsorships for specific fair activities
- Facilitate and supplement resources for youth projects and scholarships
- Promote education to the community concerning the value of agricultural tradition and the rural heritage of the Douglas County Fair & Rodeo
- Expand the Douglas County Fair & Rodeo by fostering and encouraging year-round citizen and family involvement in various programs and volunteer opportunities

## FOUNDING BOARD MEMBERS

The Fair Foundation has been fortunate to have many dedicated community members serve on the board. Several are still actively serving 10 years later! We sincerely thank our past and present board members for their commitment, which along with support from the community has contributed to our amazing growth.

## EXECUTIVE BOARD

Cindy Duckworth	President
Mark Moore	Vice President of Admin/Development
Gary Willoughby	Secretary
Racquel Leadens	Treasurer
Lora Talbert	Member

## HERITAGE PLAZA & WALL OF HONOR

Please visit our booth at Heritage Plaza during the Fair's peak hours where you will find Board Members handing out balloons to the kids and hand-held fans to counter the heat during the Fair's 104th year celebration.

## 2022 WALL OF HONOR INDUCTEES

2022 Inductees will be recognized at a special ceremony. Please join us the last day of the Fair, Sunday, August 7, at 9:00 AM to recognize and honor distinguished men and women who have demonstrated a high level of service and long-standing commitment to the Douglas County Fair & Rodeo. Inductees are selected annually through a nomination process and their names are added to the Wall of Honor. Nomination forms can be found at [www.DouglasCountyFairFoundation.com/Wall-of-Honor](http://www.DouglasCountyFairFoundation.com/Wall-of-Honor).

### 2022 INDUCTEES

Scott Candelaria	Pat Candelaria	Brooke Serrell Fox
Royal McKinster	Mark F. Moore	

Join us **Sunday, August 7 at 9:00 AM** to celebrate and recognize the 2022 Inductees into the Wall of Honor.

2021 Wall of Honor Inductee Group

## PAVE THE WAY TO HERITAGE PLAZA

You can help pave the way to the Douglas County Fairgrounds Heritage Plaza. Do you have great childhood memories from the Fair? Has your family spent summer days together showing animals, enjoying carnival rides or going to see Grandma's blue ribbon pie on display? Have you participated in a rodeo, tractor pull or just spent the day with your family eating a turkey leg or funnel cake? Celebrate those priceless memories with your very own personalized brick installed in the Heritage Plaza walkway. See a Fair Foundation member for more information or visit our website [www.DouglasCountyFairFoundation.com](http://www.DouglasCountyFairFoundation.com).

## COWBOY BALL

The Foundation's eighth annual Cowboy Ball was held May 7, 2022. Blue Jeans & Gold Buckle Dreams featured live entertainment from Tris Munsick & the Innocents, Broken Bones Craft BBQ, dancing and dessert from our Hometown Dairy Queen. Every player won at the Whiskey Pull & Jewelry games! Generous donations from partners and sponsors created an excellent collection of items for the silent auction.

Proceeds raised help support the Douglas County Fair & Rodeo and agricultural education for the youth programs we facilitate.

Save the date for our next fun filled event,  
**Ghost Town Hoedown on Saturday, October 22, 2022!**

## Youth Incentive Awards & Scholarships

### THE LIVESTOCK EDUCATIONAL GRANT PROGRAM IS NOW L.E.G. UP

The Douglas County Fair Foundation and the Douglas County Fair Board along with Douglas County 4-H and FFA are proud to partner together and facilitate the Livestock Educational Grant Program now branded as L.E.G. Up. The Fair Foundation supports L.E.G. Up by providing a financial leg up and knowledgeable industry advisers to grant recipients. Recipients raise their market animal with intent to show and if they qualify, sell their livestock at the Douglas County Fair & Rodeo Junior Livestock Sale. Douglas County 4-H and FFA each provide the structured educational program that teaches participants about the livestock industry, and how to raise and care for market animals. Participants learn by doing, how to care for, raise, feed and sell a market livestock animal. Community sponsors contribute to provide youth with an opportunity to increase their education, learn responsibility, and improve their citizenship.

The program offers grants for steer, swine, lamb, goat and breeding rabbits. In 2023, L.E.G. Up will introduce a market poultry grant which will include funding and support from advisors for a market chicken or turkey project.

All prize money and sale proceeds earned are kept by each grant recipient. This program is positively impacting our youth! See [www.DouglasCountyFairFoundation.com](http://www.DouglasCountyFairFoundation.com) for details or an application for L.E.G. Up. Click on grants and scholarships.

### THE DOUGLAS COUNTY FAIR ROYALTY SCHOLARSHIP FUND

provides financial awards annually to two members of the program, the Queen and Queen Attendant, to assist them in pursuing higher education. These awards are dependent on both the availability of funds and the successful completion of their Royalty year long reign. The awards represent the efforts put forth to assist the Douglas County Fair & Rodeo in marketing and overall promotion of our annual event.

[DOUGLASCOUNTYFAIRFOUNDATION.COM](http://DOUGLASCOUNTYFAIRFOUNDATION.COM)

### THE JON JACOBS MEMORIAL PROJECT

is our way to honor one of our most beloved friends for his lifelong dedication and distinguished service to both 4-H and the Douglas County Fair & Rodeo. The sculpture, "Binding Contract", is prominently on display in the James R. Sullivan Events Center. This will serve as a reminder that your handshake is your word, and the most important way to express your character and integrity.

### THE BOB THOMAS MEMORIAL SCHOLARSHIP FUND

is for youth winners, on a point system, who participate in the Hometown Rodeo. Initial funding for this scholarship came from the many contributions made to the Foundation in Bob's name, at the request of Bob's family. Ongoing support is provided by the Dutch Anderson Memorial Gymkhana and financial donations from Mayhem Racing Charities.

### ROXANN HARRIS MEMORIAL SCHOLARSHIPS

help support the Douglas County Fair & Rodeo Royalty, Miss Rodeo Colorado and Miss Rodeo America programs. The awards are annual, merit-based that focus on rewarding ambitious, driven, goal-oriented individuals with a background of consistent civic involvement or community service. The Scholarships are funded through individual donations and unique fundraisers and provide an opportunity for young ladies to advance their education and career paths. The first annual Roxann Harris Memorial Trail Ride was sponsored by the Douglas County Sheriff's Department Mounted Patrol and was held on September 18, 2021 at the beautiful Sandstone Ranch. Funds raised through events such as this, allow for a matching scholarship donation to be made annually to the Queen and Queen Attendant for their commitment to the Douglas County Fair & Rodeo. Visit the Douglas County Fair and Rodeo Royalty Facebook page for more details on the 2nd annual ride scheduled for Sept. 17th.

### JAMES SULLIVAN MEMORIAL TRADE SCHOLARSHIP

to be launched in 2022! Funds contributed in honor of James Sullivan create scholarships awarded to Douglas County 4-H Youth toward their trade school endeavors. See our website for details.

We offer a variety of individually wrapped cuts of beef, pork, and chicken available in numerous portion sizes. Come in to browse our retail market of pre-packaged frozen fresh meats or call and we will happily create a custom order of fresh meat cut to your specifications.
