Fair Task Spreadsheet

The Committee went through all items listed on the task spreadsheet to make sure all items are on track.

Pam will add the new packing plant to the sale form and see if we need to update the information to keep it all on one page.

Allison will double check that popcorn supplies are onsite and ready.

Committee has confirmed a few more sponsors not listed on the spreadsheet- Maureen Frank, Pioneer, Viking Plumbing and Heating and Canvas Credit Union. Allison will work with Michelle to get these paid and signage made.

Potestio is confirmed as a sponsor and doing a giveaway. Staff will create the signage for this. Phil would like to include- must be present to win.

Fair Entry Update/Training

The Committee discussed the set up and testing already being done in Fair Entry. One additional meeting will finalize reporting needs and run through the whole process.

Pat reached out to past volunteers for the night of the sale and has confirmed a few, but the committee will need to reach out to new folks as well.
