**Individual Department Meetings:** Ben thanked those superintendents who had signed up for individual meetings so far and asked everyone to please sign up by end of business on Thursday, 3/4/21. These meetings are to help everyone understand each department and to help the shows run smoothly during Fair. Ben and Hayden will be scheduling another one with each department closer to Fair in May or June.

**Chain of Command:** Ben apologized about a miscommunication from the last meeting. He didn't mean to leave CSU out of the Chain of Command, he just wanted to stress the importance of making sure all parties are aware of any situations at Fair so that the right people are involved.

**Award Choices:** Michelle sent out a list of awards for each Superintendent to vote on. Please email Michelle by end of day next Wednesday, 3/10/21 ranking your favorite awards. The committee asked for clarification that these awards are just for the 4-H awards. Ben confirmed that was correct.

**Judge Update:** Ben informed the committee that the Fair Office has received verbal commitments from and have contracts out for all but two judges: Rabbit Show and Market

Poultry. Hayden is working with those Superintendents individually for additional judge names. As in the past, judges' names and locations will be released when all signed contracts are sent back to the Fair Office.
