

DOUGLAS COUNTY FAIR BOARD- ENTERTAINMENT COMMITTEE MEETING

TUESDAY, MARCH 9, 2021 AT 6:30 PM

FAIRGROUNDS EVENTS CENTER CONFERENCE ROOM

MINUTES

Attendance: Lora Talbert, Synneva Knopp, Luanne Lee, Debbie Mills, Robin Vogel, Scott Candelaria

Meeting

Get Connected Events

The Committee reviewed the new proposal that Gina submitted.

Carnival

Synneva gave an update stating that Wagner's Carnival is available to come the weekend of Hometown Rodeo. The Committee discussed the pros and cons of that option and recommended not having it because of the 4-H Horse Shows. They also worried that the first weekend would compete with the second weekend in terms of sales.

Friday Night Band

The Committee would like the band to be in the Old West town because they think it has a more western feel and to also avoid adding competing noise for the Livestock Sale.

Old West Town

Scott is going to build the town fronts. There will be 5-6. Debbie is working on getting the supplies donated.

Marketplace

Synneva let the Committee know there will be about 45-50 booth spaces available. The committee reviewed the proposed fee structure.

There is a person who will serve at the Marketplace liaison for \$400 a day. The committee did not make a decision on whether or not to contract a person at this

point and want to see what money is left in their budget. They also wanted to see if the Marketplace would be open on Thursday or not.
