Western Town - All but one town fronts are done, and the County is working on frames. If there are enough materials left, Scott could build an undertaker. About half of them are sponsored. Looking for a vendor that could sell old timey goods near the mercantile. What we have now: Long horns on display, Chuck Wagon, 3 Amigos roping, Ponies and Pumpkins.

Discovery Ranch - Will be in Events Center this year.

Douglas County Farm Bureau - On tarmac out by carnival

Cattleman's Association - Will be in Events Center this year.

Friday - Bonnie Raitt band will be in the afternoon prior to Sale and Rodeo on Midway, Eagles tribute band relocated back to Midway due to space constraints.

Saturday - Narrow Gage Band 3:30-5:00pm. Buckstein for Barn Dance Saturday after Rodeo - Indoor Arena, \$5/ticket.

Carnival Update - Michelle will let Scott know when the Carnival comes to do a site visit so he can be there.

Chuck Wagon - Not coming anymore. Need to find a sponsor for the Pancake Breakfast. Hospitality will be out of Kirk Hall and Debbie/Scott looking for food sponsors.

He can come for aesthetics for \$5,000, but no food or anything else. Committee agreed that we will not move forward with the chuck wagon vendor as it will not add anything. Scott will reach out to Mark Moore to see if he can bring a chuck wagon to be as an aesthetic near the livery. Committee wants to look for a blacksmith to be near the livery. Scott will investigate. The committee would be willing to pay him a fee of \$200-300. Michelle will check in to see if there is a candy vendor and if they would be interested in being in the old town.

Next Meeting: July 13, 2021
