Caps for Cancer Competition **~ Sponsored by Douglas County Fairgrounds~**

- You can help individuals with cancer deal with chemotherapy hair loss. Make a cap that will be given to a patient at the Community Cancer Center. These caps are needed year around and your participation will be for a worthwhile cause.
- First, find a few hat knitting patterns that suit your abilities. You can find simple patterns online by:
- Browsing the chemotherapy hat design on ChemoCaps.com
- Reviewing the chemo hat knitting patterns on HeadHuggers.org; Searching through the directory of hat patterns on knitting.about.com
- Be sure to choose chemotherapy hat patterns that will cover a person's entire head and are attractive enough for everyday wear.
- Next, follow the hat knitting patterns to create your hats for chemo patients. Use soft yarns, such as those made out of cotton, in upbeat color schemes that are appropriate for outdoor wear. "Baby" yarns make a good choice for chemotherapy hats since they tend to be soft and light. Avoid using any yarn that contains wool in your chemo caps, as it can be harmful to some cancer patients.
- Finally, bring your finished caps to the Exhibit Building on Saturday, August 4 from 9:00am-6:00pm to be entered into competition. **Once projects are entered and judged, they become the property of the Douglas County Fairgrounds.** At the end of fair, all caps will be donated to the Community Cancer Center.
