NOTES:

*ACQ Brackets will be set after the October 15 deadline. Days and times for matches may change at that time with reduction of number of days or addition of days for matches as needed. Every effort will be made to have the final brackets in place in November. Some days will have matches all day, and others will conclude by mid-day.

There are still some location issues to be addressed that could affect the calendar. Additional changes will be made as needed and provided to Sponsors and Coaches in the first email after October 15. After the October 15 Contest Registration Deadline, registered coaches are consulted when possible and will be notified of changes by email and should relay these to others at the school and parents. The original calendar may or may NOT be updated once these changes are relayed to Coaches.
