2026 East Texas State Fair
Livestock Show General Rules

One of the fundamental objectives of the East Texas State Fair is to encourage the breeding of improved livestock. When an animal is judged, consideration is given to the symmetry, size, quality, form, evidence of constitution, vigor, productivity, and general breeding characteristics.

Application of Rules

The General Rules and Regulations apply to every breed show in the East Texas State Fair Livestock Show. Additional rules, specific to the Junior Show and their respective breed shows will be included in the information for those shows. The exhibitor is responsible for reading, knowing and following all of the rules, both general and specific, which apply to the show entered.

Grounds and Facilities

Liability Statement

All exhibitors will be under the direction and control of the East Texas State Fair management, but the East Texas State Fair and the Henderson County Fair Complex will in no case be responsible for any loss, injury, or damage done to, occasioned by, or arising from any animal or article exhibited. The Exhibitor, fitter, and/or owner shall indemnify and hold harmless the East Texas State Fair and the Henderson County Fair Complex against all legal or other proceedings in regard thereto, as well as damage or injury to any other person or property, caused by the exhibitor or exhibitor's animals, or arising in any way or connected with the exhibition of the animals. The exhibitor accepts full and complete responsibility for actions of his or her animals and property, and releases and holds harmless said sponsors from all legal liability, both personal and property including injury and/or death or any other damage whatsoever.

Schedule and Rules

Please review the schedule and rules for each show listed. It is important to remember that move-in and move-out times for shows will be strictly enforced. Pens and stalls will not be available to exhibitors until their posted times and exhibitors are expected to remove their animals from the grounds at the posted times for each department and breed as well. Please remember that we have more shows/breeds moving into your stalls when you move-out and pens/stalls have to be cleaned for the next shows to move-in. **Animals cannot stay on the grounds after their posted release time.** If you have animals that are released, and other animals that are still showing, **you will need to make arrangements** with another breeder or facility to house the animals that have been released. Any exception to this must be granted in writing by a Show official.

Feed and Bedding

Exhibitors will be required to purchase bedding from the Henderson County Fair Complex.

Electric Fans

Electrical facilities will not permit use of fans driven by motors larger than ½ horsepower. Freestanding Fans are not allowed outside the feed aisle between the tie rails. Hanging fans can only be attached to the tie rails. **Fans are not permitted in or near walking aisles. PORT-A-COOLS** are not permitted.

Grooming Chutes will not be allowed on the grounds during the Junior Heifer Show.
Grooming Chutes will be allowed in the barns or exhibit tents during open shows in designated areas.

Pets
Pets are **NOT** permitted on the grounds. Service animals can accompany people with disabilities in all areas of the Stock Show grounds where the public is normally allowed to go. A person with a service animal may be asked to remove the service animal from the premises if: 1) The dog is out of control and the handler does not take effective action to control it; or 2) The dog is not housebroken.

Service animals are defined as dogs that are individually trained to do work or perform tasks for people with disabilities. Examples of such work or tasks include guiding people who are blind, alerting people who are deaf, pulling a wheelchair, alerting and protecting a person who is having a seizure, reminding a person with mental illness to take prescribed medications, calming a person with Post Traumatic Stress Disorder (PTSD) during an anxiety attack, or performing other duties. Service animals are working animals, not pets. The work or task a dog has been trained to provide must be directly related to the person's disability. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.

Displays and Identification
Each exhibitor is requested to furnish his/her own signs or banners for use in the barns. These should be in good condition.

Exhibitors may display prize ribbons and banners won at the Fair and may display those won at other Fairs subject to the approval of Fair Management. The exhibitor should check with the Show Superintendent or the Livestock Office regarding display questions. Exhibitors are prohibited from using paint, tape, adhesives or any other materials that deface tie-walls or any property on the grounds. Also, Exhibitors may not remove or re-arrange any stalls or portable panels without consent of the Fair Management. Exhibitors violating this policy will be invoiced for all cost associated with repairs and will be subject to disqualification from this show.

Area Privileges
No person other than the one holding the animal being exhibited will be allowed in the show ring during the time of the judging except the Breed Superintendent, Judge, Official Reporters, and Breed Representatives. This rule will be rigidly enforced.

Selling Privileges
No organization, association or individual may sell any item or service of any value on the grounds or inside any barn or building without first securing a Selling Privilege from the East Texas State Fair Management.

Exhibitor Code of Conduct
Any false representations, interference or improper conduct on the part of any Exhibitor will be dealt with by the East Texas State Fair Management, according to the equities of the case. The East Texas State Fair is a family friendly event. As such, an individual's conduct as an exhibitor or patron should be exemplary, and violators are subject to disqualification or removal from Show grounds.

Violations include, but are not limited to:

Disruptive or improper conduct

Public display of profanity of any sort

Violence of any sort

Providing alcohol to underage persons or providing a space for the consumption of alcohol by underage persons.

Possession, use, or distribution of alcohol by underage persons

Possession of an open alcohol container in a public area regardless of the individual's age

Excessive consumption of alcohol

Damages
All exhibits will be under the control and direction of the Breed Superintendents, but the Fair Management will, in no case, be responsible for any loss, injury, or damage, done or occasioned by or arising from an animal exhibited by him/her and shall indemnify the fair Management against legal or other proceeding in regard thereto.

Entering the Grounds
All livestock must enter the main gate, where health papers, if required, must be presented to gain admittance to the grounds. While waiting in line, please do not leave your vehicle unattended. Be considerate of the traffic flow in parking your vehicle while waiting or unloading. When you reach the designated unloading area, unload your livestock and tack, and remove your vehicle as soon as possible.

Cancellation of Shows
The Management of the East Texas State Fair reserves the right to cancel any livestock show if an inadequate number of entries are apparent after the official registration deadline. The East Texas State Fair requires 10 head to show per breed to merit a breed show.

Livestock Requirements

Health Certificate

Dairy – Lactating dairy must be tested and have health papers.
Cattle – No health papers required.
Market Goats (weathers) – No health papers required.
Sheep – No health papers required.
Swine – No health papers required.
Steers – No health papers required**.**

All Animals will be subject to the Current Health requirements of the Texas Animal Health Commission and the East Texas State Fair.

Ownership Certification/Fitting
Exhibitors must own their animals at the beginning of and throughout the feeding period. Exhibitor must feed, care for and exhibit animals entered without any aid or assistance during the entire feeding period, except from CEA or AST or from other junior exhibitors and leaders within their county. Only registered breeding animals may be shown, and owner must produce a certificate of registration for all animals upon check in.

Should a temporary sale or transfer of a show animal ever be discovered, the exhibitors and property owner may be barred from any and all future shows.

Nurse Cows
"Nurse Cows" will not be allowed on the Grounds for the purpose of an entered animal to nurse during the entered animal(s) stay on the Grounds. A "nurse Cow" is defined by the East Texas State Fair as a lactating cow that is not entered into a breed show. This does not apply to cows with calf at side.

Restraint/Unruly Animals
The East Texas State Fair Management and/or General Superintendents may remove or have removed any unruly animal from the Grounds.

All animals must be docile enough to be handled by one attendant on foot during the unloading and loading process; in the show ring while being shown or at any other time while in competition or on exhibition on the East Texas State Grounds. The East Texas State Fair prohibits the use of cable halters or pronged chains.

Sick Animals
Animals will be inspected for apparent disease. In case of sickness of any animal, the animal shall be removed when ordered by the Breed Superintendent to a separate enclosure, where the exhibitor may either direct treatment of the animal himself or employ the Fair Veterinarian, to whom payment for services and other expenses incurred will be made. The right is reserved by the Breed Superintendent to order the animal be removed from the grounds when this rule applies. To remove a sick animal, a written release will be required, signed by the East Texas Fair Veterinarian or Director of Livestock.

Judging Rules

Judges
Judges must not award a prize to an unworthy exhibit. It is the intention of the East Texas State Fair Management that no premium or distinction of any kind shall be given any article or animal that does not deserve an award.

Judges shall report to the Superintendent any Exhibitor, who, in any way, whether in person or by agents, or employees, interferes with them during adjudication or shows any disrespect to them. In such instances, a proper apology from such Exhibitor shall be demanded, or he/she may be excluded from participation in the remainder of shows. Fair Management may withhold from the exhibitor any premiums due.

The decision of the judges shall be final in all cases, except where mistakes, fraud, misrepresentation or collusion not discovered at the time of the award is proven. In such cases, the Superintendent or referee he/she may appoint, may make decisions, or, on his/her approval. The case may be appealed to the Executive Committee, from whose decision there can be no appeal. The Fair Management reserves the right to withhold premiums in every case in which it shall appear to the Executive Committee that regulations have not been complied with, or that fraud or deception has been practiced or attempted. It is the intention that all livestock shall be shown in a good workable condition.

Protest
All protests must be in writing and accompanied by a deposit of $50.00, which will be forfeited if protest is not sustained. Such protest must state plainly the cause of complaint or appeal, and must be delivered to the

Superintendent immediately after the occasion resulting in the protest. Any protest of eligibility regarding age of an animal must be filed with the Superintendent prior to noon of the last day before judging.

Interpretations
The Fair reserves, to the Executive Committee, the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions or differences in regard thereto, or otherwise arising out of , or connected with or incident to the Fair.

The East Texas State Fair Management reserves the right to amend or add to these rules, as the Executive Committee in its judgment may determine.

Junior Show General Rules

Who May Enter
Junior Show Participation: Participation in the Junior Livestock Division is limited to Texas resident students, who are members of a Texas 4-H Club or FFA Chapter, and who have continuously owned and personally fed and cared for their animals under the direct supervision of a CEA or AST. Exhibitors must be enrolled in, and attending, public or private elementary or secondary schools in Texas. Students must be between the **ages of 9 years of age or in the 3rd grade and no older than 18 years of age** on or before Aug. 31, 2026. Each FFA Chapter and 4-H Club must be a member in good standing with its state and National affiliates

Each exhibitor will be limited to no more than two (2) animals per class. Extra animals in the class must be shown only by another qualified FFA or 4-H member.

Ownership
All Heifers must be registered and must have been **owned at least thirty days (30)** by the **exhibitor** as evidenced by Registration Papers. Evidence of ownership is indicated by the date of sale on the registration certificate.

Any recognized Breed Registry by the United States Department of Agriculture and Texas Club Calf Association Registry papers will be accepted as proof of ownership and registration of the animal.

Only the Owners on the registration papers are eligible to exhibit any animal during the East Texas State Fair. The following are exceptions to this rule.

(1) An exhibitor has more than one entry in a class
(2) An exhibitor is sick (must present a signed statement from a doctor)
(3) An exhibitor cannot be present because of approved school activities, TAAS test, etc.

When one of the above conditions exists, Fair Management may use their own discretion as to whether a substitute showman will be allowed.

All junior shows are blow and go.

Premiums
Premiums are paid in the Junior Livestock Show for the following: Heifers, Dairy, Goats, Lambs, Steers, and Swine.

Payouts are:	1st Place	Blue Ribbon	$25.00
	2nd Place	Red Ribbon	$20.00
	3rd Place	White Ribbon	$15.00

Cash premiums will be paid at the conclusion of each breed show at the Livestock Office. Premium payment is based on ribbon and voucher received. Only the owner/exhibitor listed on the show sheet may exchange vouchers for cash premiums. All exhibitors must present exhibitor number, ribbon and voucher to Livestock Officials at the time of receiving premiums. Parents, friends or siblings will not be allowed to exchange vouchers for the exhibitor.

Additional premium awards may be offered in specific Junior breed shows by the respective organizations. Announcements regarding additional premiums will be included in the show rules.

Prize awards for Champions and Reserve Champions are subject to change.

Showmanship

All junior exhibitors will be able to participate in Showmanship in each species (except for Dairy and Rabbits). Showmanship class will be held before or after the show due to judges preference. ** Junior Heifer showmanship will be held following the Junior Heifer breed shows that finish in that ring. Dairy and rabbit showmanship will have awards presented.

Showmanship classes are:

Junior Showmanship Class - Ages 9 – 11
Intermediate Showmanship Class - Ages 12-15
Senior Showmanship Class - Ages 16 – 18

All Junior, Intermediate, and Senior Showmanship awards are provided by the East Texas State Fair.

Sifting

Sifting procedures are in place for the purpose of excluding any animals which do not meet the minimum set of standards of the East Texas State Fair. Although Certificates of Veterinary Inspection are not required for breeding rabbits, steers, market swine, goats, and lambs, Junior Show Superintendents will be sifting for animals which exhibit symptoms suggestive of either possible communicable diseases or conditions which substantially compromise an animal's show-worthiness, even if not potentially communicable to other animals or humans. If, in the sole discretion of the Superintendent, an animal is disqualified from showing or directed to be removed from the grounds, the decision of the Superintendent will be regarded as final, and in cases requiring animals to be removed, the animal must be removed immediately.

An exhibitor and/or parent may request a consultation with a licensed veterinarian in the event of a dispute; however, cost for the consultation is the responsibility of the exhibitor and/or parent, whether the veterinarian is on call for the East Texas State Fair or is independently chosen by the exhibitor and/or parent. If the decision of the Superintendent is overruled by the veterinarian, a written statement is required from the veterinarian following the examination as to the fitness of the animal in question.

Exhibitor Conduct

It will be the responsibility of the Agricultural Science Teachers, County Extension Agents, and Adult Supervisors to see that no improper conduct or horseplay occurs in the show barns. Violation of this rule can mean forfeiture of premium money.

Agricultural Science Teachers, County Extension Agents, and Adult Supervisors will be responsible for junior exhibitors under their supervision in maintaining their exhibit areas in a presentable condition at all times. Any individual or group which fails to meet sanitary requirements in maintaining their exhibits may forfeit all prize money. Keeping their animals and areas in top condition at all times is an important educational aspect of the show for the exhibitors, and is impressive to the thousands of spectators who visit the fair.

Unethically Fitted Livestock: The showing of unethically fitted livestock, the showing of livestock of any ineligible age for exhibition in the class entered, or the misrepresentation of breeding or milking status is prohibited. Unethical fitting will be deemed to consist of changing the normal conformation of any part of the animal's body or using drugs, including over the counter and/or extra-label, or mechanical devices to alter the physical makeup and/or performance of the animal. The East Texas State Fair Livestock Show maintains a **ZERO TOLERANCE POLICY** for unethically fitted livestock. This includes but is not limited to the following:

a. **PUMPING WILL NOT BE TOLERATED!**

b. Animals that are in milk due to unnaturally induced lactation.

c. Balancing the udder by any means other than leaving naturally produced milk in any or all quarters.

d. Treating or massaging any part of the animal's body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation.

e. Minimizing the effects of cramping by feeding or injecting drugs and depressants or applying packs or using any artificial contrivance or therapeutic treatment except normal exercise.

f. Blocking the nerves to prevent limping or switching of the tail.

g. Striking the animal to cause swelling in a depressed area.

h. Surgery or other practices performed to chance the natural contour or appearance of the animal's body, hide, hair or feet (this is to include any materials added to the feet of an animal) except the removal of warts or horns and the permitted clipping and dressing of hair and trimming hooves.

i. Insertion of foreign material under the skin.

j. Changing the color of hair at any point, spot or area on the animal's body. Any grooming material that allows color to come off from any animal will not be allowed at the show.

k. **The act of artificially filling animals internally, which would include stomach pumping, drench tubes or any other method per os (by esophagus).**

l. **The use of alcoholic or carbonated beverages** in the feed or administered as a drench.

m. The use of diuretics.

n. Administration of a drug internally or externally. Animals under the care of a licensed veterinarian and/or taking any type of medication are ineligible.

o. Cable halters or pronged chains are prohibitied.

Those found violating this rule will forfeit all awards and premiums. Violators and their participating 4-H or FFA Chapter may be banned from participating in the East Texas State Fair for a minimum of 3 years in any division.

Stalling
Junior heifer show stall space will be assigned by Show Officials as entries are received. **UPON ARRIVAL, THE EXHIBITOR MUST WAIT TO RECEIVE STALL ASSIGNMENT BEFORE PLACING ANIMALS.**

Lamb and Goat Exhibitors must provide their own grooming tables. A specific area for grooming tables will be provided. Refer to the rules for the specific species.

Tie-outs are available not available.

Qualifications of Bona Fide Exhibitor

1. Must be a current member in good standing of the Junior Beefmaster Breeders Association (JBBA).
2. Exhibitors must be a minimum of six years old on January 1st and under the age of twenty-one years on January 1st of the current year.
3. Each exhibitor should have continually and personally fed and cared for their animals under the direct supervision of a County Agent, Vocational Agricultural Instructor and/or their parents.
4. Entries must be exhibitor by the owner unless he or she owns two or more entries in the same class, whereupon another bona fide JBBA exhibitor may show one of the entries. If the entry is a pair, the cow must be exhibited by the owner.
5. Any JBBA exhibitor who is qualified entrant to show and cannot, due to illness or injury with official doctor's note, may have their entry shown by another bona fide JBBA exhibitor. Individual circumstances occurring during the show/event will be addressed by show officials.
6. All contestants shall be broken into 3 age divisions for contests.
    a. Junior Division: Individuals who are under 10 years of age and younger on or before December 31 of the previous year.
    b. Intermediate Division: Individuals that are between the ages of 11 and 14 on or before December 31 of the previous year.
    c. Senior Division: Individuals that are 15 years of age on or before December 31 of the previous year and up to the maximum age limit stated in the JBBA Bylaws.
        i. Article 1, Bylaws 1 states: "Junior members shall be elected to junior membership by the Board of Directors and shall be under the age of twenty-one (21) years on January 1st of the current year.

Qualifications of Animal

1. When requested, Official Interstate Health Certificates must accompany all cattle and must be presented to a representative of the show at the time the cattle arrive on the show premises. Usual state and interstate brucellosis and tuberculosis requirements will apply. Every animal must have an official health certificate verified by a licensed veterinarian within 30 days of the show and must met state animal health commission requirements of the hosting state.
2. Original BBU Certificates of Breeding (not copies) on each animal shown, including any calf-at-side, must be presented to a representative of the show at the time of cattle check-in. Application for a BBU Certificate of Breeding on calves less than 30 days of age must be presented. Official scramble registration papers with appropriate show stamp must be presented at check-in.
3. All heifers and bulls must be registered with Beefmaster Breeders United (BBU) as a purebred and out of a BBU-Certified Purebred dam, Second Cross dam or as otherwise stated in the BBU Bylaws. Advancer and E6 heifers must be registered with Beefmaster Breeders United.
4. At show officials' discretion, the tattoo or brand will be checked on the top placing animals at the conclusion of each class and must match the permanent ID that appears on the original registration paper. It is the member's responsibility to ensure that the brand or tattoo is legible prior to arrival on the show grounds. Members will be disqualified if their animal does not have a matching tattoo or brand, or if the tattoo or brand is illegible. In the event of disqualification, the next placing

animal with matching identification will advance. Calves that show on the side of the cow must have a permanent identification number.

5. All cattle must have been owned by the entrant a minimum of 60 days prior to the show. Evidence of ownership is indicated by the date of sale on the registration certificate.
6. JBBA members are allowed to have partnership animals with another JBBA member (animals owned by parent-youth or adult-youth combination are NOT eligible.) However, if JBBA members are exhibiting cattle in a show, the same exhibitor must show both the cow and calf if they choose to enter both animals in their own respected classes. (Example: Same JBBA member must show cow and either her heifer or bull calf in both classes if the JBBA members chooses to enter the calf as an individual.)
7. There is no limit to the number of heifers an exhibitor may enter.
8. Heifers that do not show the day of month of birth on their BBU Certificate of Breeding shall be considered to be born on the first day of that month.
9. All BBU registered animals must be shown with their hair coats lying downward and flat against their entire body. Hair trimming is permissible and must be done in those few areas such as the neck and portions of the top line of the animal which may not lay flat against the body. Hair may not be trained upwards or forwards and/or pulled upwards of forwards on any part of the animal's body. No animals may have any foreign object(s) attached to it in any manner or have its natural color altered in a manner so as to change the conformation or appearance. An exhibitor who fails to abide by this rule will be dismissed from the arena and/or forfeit premiums, awards, and points from the show. This applies to all National cattle shows.
10. Any heifer that, in the opinion of a designated BBU official, would be a detriment to the breed, shall be removed from the show, regardless of any prior classification. Examples would be animals exhibiting signs of low fertility, genetic or physical defects.
11. Any entry that is unruly and poses danger to other exhibitors, or if exhibitor loses control of their animal twice during the class, the animal may be dismissed from the show arena by the judge or arena director or designee.
12. To be eligible for Bred and Owned show awards, exhibitors must present an original Bred and Owned certificate along with original BBU registration papers at time of check-in. Bred and Owned certificates may be obtained by contacting the BBU office and providing the registration number. Joint ownership, when both members are the breeder on records, will be accepted.
    a. Joint ownership of the dam is permitted; however, for offspring to qualify as a JBBA Bred & Owned animal, all owners of the dam must be JBBA members, except in the case of siblings where on sibling has become too old for JBBA membership, joint ownership is acceptable as long as the older sibling was a JBBA member and has maintained continuous uninterrupted membership in the BBU since expiration of their JBBA membership, as determined by the BBU Office.
13. All heifers, two years and older of the day of the show must be palpated safe in calf by a licensed veterinarian and so state on the health certificate, with the exception of heifers nursing their BBU registered calf-at-side (under 6 months of age), in which case the heifer may show open. Heifers that do not show the day of month on their BBU Certificate of Breeding shall be considered to be born of the first day of that month.
14. Nurse cows, recipient cows, retired show heifers with calves, etc., will not be allowed on the show grounds. The only animals allowed on the show grounds will be those entered in a class themselves.
15. Heifers two years and older on the day shows whose calf has died cannot be shown.

Cash Premiums, Ribbons, and Rosettes awarded by East Texas State Fair

American Brahman Breeders Association
Official Fall Show Classes:

Subject to the immediately following ABBA Official Show Class Special Conditions, Animals exhibited at both Sponsored and Sanctioned American Brahman Breeders Association ("ABBA") Open Shows shall be presented for judging as Grey Brahman and Red Brahmans classification within the Official Classes and Divisions set out herein below:

ABBA OFFICIAL SHOW CLASS SPECIAL CONDITIONS

A. All animals must be registered with the American Brahman Breeders Association ("ABBA") and be appropriately fire branded by ABBA requirements for registration in the ABBA Official Brahman Herdbook.

B. All animals exhibited are subject to the ABBA Color Classification Rules as established from time to time. A copy of the most current ABBA Color Classification Rules may be obtained from the ABBA.

C. All animals exhibited are subject to the ABBA DNA Verification Rules as established from time to time. A copy of the most current ABBA DNA Verification Rules may be obtained from the ABBA.

D. All Females exhibited in the **Senior Division** must either (1) be accompanied by a certificate of pregnancy issued by a licensed veterinarian (within 90 days prior to the date of the Show) certifying the Animal is pregnant and such certificate shall be made available for inspection and verification upon request, (2) be in a lactating stage and have her natural, nursing calf at side, which Calf has not exceeded 240 days old as of the date of the Show, or (3) have weaned her natural calf which Calf is registered in the ABBA Official Brahman Herdbook and the Calf's registration certificate is available for inspection and verification upon request.

E. All Females exhibited in the **Aged Senior Division*** must either (1) be in a lactating stage and have her natural, nursing calf at side which Calf has not exceeded 240 days old as of the date of the Show, or (2) have weaved her natural calf which Calf is registered in the ABBA Official Brahman Herdbook and the Calf's registration certificate is available for inspection and verification upon request. ****FOR THE FALL 2023 SHOW SEASON ONLY,* FEMALES EXHIBITED IN CLASS 34 *LATE AGED SENIOR COWS* SHALL BE ALLOWED TO BE EXHIBITED WITHOUT A NATURAL, NURSING CALF AT SIDE PROVIDED THE FEMALE MEETS THE PREGNANCY STATUS REQUIREMENTS OF THE SENIOR DIVISION OF FEMALES.**
