Use of garment: Explain how the design added to the garment has changed the use for the garment, if any. If it did not change the use of the garment, was that a consideration in choosing the design?

How do the changes to this garment coordinate/compliment other items in current wardrobe? Be specific.

Did you have a pattern/diagram for the design, or is this an original design? Explain changes if a pattern was used or if it is an original, explaine the inspiration for the original design.

Describe techniques used in creating the design and reasons needed:

Explain any difficulties you encountered and how you solved them. If you did not experience difficulties in creating the desing embellishment, what planning and preparation made that possible?

Were there any aspects to the original design plan that were not practical, but you wished you could have used?

How does the design embellishment affect care requirements for the garment?

Describe the accessories chosen for the garment and why each was chosen.
