Use of garment: How has the repurposing of the garment altered the types of events appropriate for this garment?

How does the redesigned garment coordinate/compliment other items in current wardrobe?

Describe the changes or alterations made to the original design of the garment.

Describe construction techniques used and reasons needed for repurposing (buttonholes, zippers, specialty seams, etc.):

Explain any difficulties you encountered and how you solved them. If you did not experience difficulties in construction, what planning and preparation made that possible?

What are the care requirements for the finished garment and did any of the requirements change from the original?

What was the inspiration for the repurposed garment?
