### **Eastern States Exposition Offers 2024 West Springfield Resident Parking Stickers**

West Springfield resident parking stickers, which allow free parking at Eastern States Exposition's year-round events (excluding The Big E), are now available at Gate 1 on Memorial Avenue.

Town residents can obtain stickers for vehicles registered in West Springfield by presenting their license, registration and vehicle to Security personnel at Gate 1, 8am to 8pm, until April 1. *Stickers will not be available in the Brooks administration building and are not available while shows are taking place on the grounds.*

The free parking stickers are offered as a courtesy to West Springfield residents who wish to attend year-round events held at ESE without having to pay the \$5 event parking fee. Access to the grounds is limited to business/event or Storowton Tavern hours. Unlimited ESE grounds access is not permitted, nor a privilege of the parking sticker.

For residents who have seasonal vehicles or motorcycles not currently on the road, bring your most recent registration information and license to Gate 1 to receive a sticker.

Follow us on social media or join our emailing list for all current information on Eastern States Exposition.
