WORKSHOP ROOM #3

SIGN YOUR KNITS

Skill Level: Intermediate
Age Requirement: 18 & Up

Description: Painters create calling cards, quilters sew on labels, embroiderers stitch their initials into their work and sewists have garment tags, but knitters often don't "sign" their work. In this class you will learn ways to add your initials and date into your projects. We will cover three methods for signing your knits - custom charts, duplicate stitching and pattern modifications that can be used in steeks, folded hems and cuffs. These methods eliminate the need for scratchy labels that can fall off. Must know how to cast on, knit and bind off,
