WORKSHOP ROOM #3

GAUGE & MAKE IT FIT

Skill Level: Basic; Beginner; Intermediate; Advanced
Age Requirement: All Ages

Description: Never make an ill-fitting sweater again! In this class led by Jill Tamminen from Knit Sisu, you will learn the mysteries behind gauge swatching, why it's important, and what to do if the gauge does not match a pattern. Also, in transferring gauge information to a pattern, you'll learn the skills and techniques necessary to tailor a sweater pattern specifically to your taste and make it fit every time!

You'll leave this class with a lot of new information and confidence, along with a free copy of the Knit Sisu "Make It Fit Guide" as a bonus. Jill will provide sample gauge swatches for you to practice with, but feel free to bring in your own swatches of different size yarn and needle combinations, and/or any ill-fitting sweaters to examine sizing.
