

# 2022 Crafts on the River Rules & Regulations

1. Applications will be reviewed and approved by the Crafts on the River Committee on a first received basis. To ensure the quality and integrity of the show, the Committee reserves the right to limit the quantity of participants in any category of craft. All decisions of the committee are final.
2. All craft displays must be the original design and work of crafter exhibiting. Be prepared to demonstrate how your craft is self-made. No purchased, commercial or buy-sell products will be allowed.
3. No sharing of space is permitted except when two people work together. No subletting or selling of space is permitted.
4. Exhibitors will be given an assigned space.
5. Displays must be open by 10am daily. No booth may be dismantled prior to the 3pm closing time of the show on Sunday. Booth space must be vacated by 8pm on Sunday.
6. Exhibitors must furnish their own tents, tables, chairs and related items used for their display.
7. The Festival will NOT provide electricity, water, or sewer.
8. Security is present in at the event site Friday and Saturday evening.
9. No hawking sales procedures are permitted, including the use of loud speakers.
10. No vehicles will be allowed in the display area during the show.
11. Vehicles are not permitted to drive up sidewalks and onto the grass in the area. We recommend you plan to have a hand truck available for transporting your belongings.
12. The Edison Festival of Light reserves the right to remove works or displays considered objectionable to the average general public and may do so without any fee refund to the exhibitor.
13. Each exhibitor must comply with all pertinent State and Florida Sales Tax and insurance regulations.
14. No cancellation refunds will be provided.
15. All future contact regarding this event will be through email only.
16. Fire inspections will take place at the venue, so it is advised that you bring a fire extinguisher. **A 2A10BC dry chemical fire extinguisher is needed for tents that have generators.**
17. If you are using tent guy lines, they must be clearly visible to prevent injuries to others. We suggest that you use a bright yellow caution tape color to wrap the lines.
