For 4-H Exhibit Requirements visit:

<http://co4h.colostate.edu/statefair/StateFairExhibitReq.pdf>

5. **4-H Age divisions** (Youth age, current 4-H year as of 12/31/21):

Cloverbud, 5 to 7 years old
Junior, 8 to 10 years old
Intermediate, 11 to 13 years old
Senior, 14 to 18 years old.

6. **Each item exhibited should be labeled to include member's name, age, project name and class (fair class entered), club name, and county. All display boards should be labeled on the back-left hand side.**

7. All clothing or stitched articles must have **SEWN IN LABELS** with the same information listed above (see #6). Clothing projects must be brought in on hangers. Hangers will not be returned.

8. Exhibitor's record books may be completed in pencil or ink, by typewriter or computer--but be consistent throughout. Member's choice will not affect judging. However, neatness is considered in the judging. Use a pronged folder for record books, *unless project specified (i.e. photography)*. A prong folder is the preferred method for submitting an e-record. The green "4-H Member Record Book" (can be purchased from the CSU Extension Office or online via 4-H National Supply) is highly recommended.

9. Exhibitors shall exhibit in the unit they are enrolled in & entered in for the fair. Project unit enrollment errors must be brought to the attention of the CSU Extension staff person on duty immediately after the error is found. *Errors in entries could affect placings and eligibility for State Fair.*

10. No 4-H exhibitor may enter more than one exhibit in the same class or enter the same item in more than one class.

11. Exhibits of unusual size or shape may not be on public display. Check size requirements carefully. If project is not displayed, exhibitor cards and ribbons will be displayed in project areas. All other projects will be displayed unless there is a safety, health, or space issue. Projects deemed unsuitable for public viewing due to opposition of 4-H code of conduct or policies will not be displayed. Make sure to check the [State Exhibit Guidelines](#) for sizing limits.

12. Display boards for fair must be tri-fold boards that measure 4 ft. wide x 3 ft. tall. Incorrect board sizes are not eligible to move onto State Fair. Cloverbuds classes have separate size requirements.

13. Projects (with the exception of Cloverbud Projects) will be judged by the Danish Ribbon System. All participants will receive an award ribbon based on the quality of performance/exhibit and how well standards are met.

Blue, Red & White Ribbons will be awarded. There is no set number of blue, red or white ribbons awarded in the Danish System.

- Blue – Exhibit meets standards; is of high quality (well done).
- Red – Exhibit meets standards and is of good quality or is of high quality and missing a minor requirement.
- White – Exhibit does not meet all standards/requirements; needs improvement.

14. All exhibits will receive awards they merit, and blues or champions are not guaranteed. Even in the case of no competition, a blue or champion should not be assumed. An exhibit shall receive an award no greater than its merit justifies.

15. Champion, reserve champion, and third place (premium winners) will be selected only from the blue-ribbon winners in each unit or project. [State recognized](#) 4-H project unit champions will be eligible to compete at the State Fair in Pueblo.

16. Self-Determined project unit champions are *not* eligible to compete at State Fair as county-level projects and do not have a state level competition.

17. Premiums paid as follows: Unit Champion \$5.00; Unit Reserve Champion - \$3.00; Third Premium - \$2.00.

18. Record books will be released for viewing at the end of fair and are not open to the public.

19. All exhibits, including record books, regardless of their placing, will remain in the display area for the duration of the fair. In the event that any exhibit item or display is required for participation in another event, a request must be submitted in writing to the CSU Extension Office prior to Fair Exhibit Day. The request is subject to approval.

20. Tabletop exhibits will be available for pick up until noon on Sunday, the day after the close of the County Fair. No exhibits will be released early. Instructions for pick up will be provided at drop-off.

23. Exhibiting a 4-H project item at the County Fair that is open to the general public is not without risk. Staff and volunteers extend care to protect the exhibits. And while most exhibits are returned without damage, CSU Extension and the Tabletop Committee cannot be responsible for loss or damage to exhibits.
