

Time to Celebrate

The Brew Brothers of Pikes Peak (BBoPP) homebrew club is proud to announce the 10th^h Annual El Paso County Fair HomeBrew Competition. This summer style competition benefits the county community services program that provides parks, trails and recreation in our area. BBoPP is a 501c(7) non-profit corporation.

We are seeking sponsors/donations to reward the local homebrewers who enter their beers and to support the volunteer judging staff that make the competition a success. To that end, we would like the opportunity to give away promotional items such as brewing related products, gift certificates, t-shirts, glassware, education material and of course beer to be used as prizes/rewards for the competition winners/judging staff.

The competition will be held on Saturday 10 July at the Black Forest Brewing Company and the award presentations will be at the county fair in Calhan, CO on 11 July. We realize that our request may not be part of your business plan but given the post pandemic revitalized homebrew scene, we feel that this is a great opportunity to reach out to the Southern Colorado homebrew community. We will publicize the event via social media, press releases, posts to Internet homebrew bulletin boards, posters and flyers in local homebrew shops and breweries and, of course, word of mouth.

Your logo will be featured in promotional media, on our competition website (ReggieBeer) and our club website <http://brewbrosc.com/wordpress/>. Again, we believe that this is an excellent opportunity for you to reach a prime target audience and support fellow beer enthusiasts.

The Brew Brothers of Pikes Peak thank you for your continued support of the homebrew and craft beer communities as we strive to increase the number of homebrewers and judges.

Please contact me at rvmock@gmail.com or (719) 332-8896 if you wish make a donation. Thanks for your time and consideration.
