Re-cycled Crafters:

Are you a crafty person that can create items from trash into treasures?
You are receiving this letter because someone on the committee noticed your craft at a winter bazaar.

Here is an opportunity for you to display and sell your items in July. The 4-H Fair Green Committee is continuing the **craft bazaar** for individuals who create Up-cycled and Re-purposed crafts. This is our 5th Annual Craft Bazaar. This is an opportunity to set up a booth during the “Green Day” to sell your items to fair guests. Only Up-Cycled and Re-purposed crafts will be allowed.

The Green Day event is Friday, July 24, 2026 in Heritage Park. Set up time is 7:30-8:45 a.m. Your display needs to be staffed from 9 a.m.-4 p.m. The Green Committee will offer a booth with one table and two chairs for \$20. Additional tables can be requested at \$5 each, with a maximum of three tables. Vendors need to supply their own EZ-Up canopies/sunshades. (Please, no larger than 10ft. x 10 ft.)

The Application (Up-Cycled Re-purposed Craft Bazaar Booth Application) is with this document. The deadline for the entry application is June 26, 2026. Also a photo of the items you wish to sell need to be included with the registration.
