

Elkhart County 4-H Fair
Heritage Park Contribution Form

Heritage Park is one of the most beautiful and popular locations on the Elkhart County 4-H Fairgrounds. The park is host to many family friendly activities, shows and programs during the 9-day fair. It is home to the iconic clock tower, food court patio, permanent stage and green space that are used during the 9-day fair and for many year-round events. For a limited time, we are making engraved blocks around the clock tower available to donors as a contribution for park improvements.

Contribution Levels for Engraved Blocks

Gift of \$500.00

Text engraved on an 8"x8" block. No more than 56 characters including spaces transpose the best on the engraved blocks. Text becomes condensed and less readable with more the 56 characters. Blocks can be shared; however, we ask that one form and check be submitted per block. Block location will be on the perimeter planters.

Gift of \$1,000.00

Text or Image engraved on an 8"x8" block. Images provided must be black and white (vector if possible). Send images to Kristy at kristy@4hfair.org. Block location will be in the center circle under the clock tower until full. The remaining blocks will be placed on the perimeter planters.
