Bicycle Permit Application

Only bicycles with proper permits issued through the Concessions Office will be allowed on the grounds during set-up. Bicycles are a privilege and failure to operate them in a safe manner will result in the loss of this privilege.

There is a non-refundable \$10.00 fee per bike to obtain a permit. Return this form with a check payable to the Erie County Agricultural Society and mark down "Bike Permit" in the memo area.

Permits will be issued at time of check-in.
