Guests come from Western New York, Northern Pennsylvania, Southern Ontario, and throughout the country, to the unmistakable iron gates of the Erie County Fair. It is at these gates that guests are taken from their everyday lives and transported to the care-free and colorful environment of the Fair. Located in Hamburg, NY, just 20 minutes south of Buffalo.

Open twelve days in August, the Erie County Fair brings animals, food, shopping, rides, games, and above all, **memories!** To the people of the region, the Erie County Fair is a must-see summertime attraction and each and every one of our guests has a Fair story to tell, while others are creating new ones.

Annually ranking among the top 20 Fairs in North America, the Erie County Fair is constantly celebrating the foundation on which it was built - hard work, competition, and a hometown pride that runs 180 Fairs deep.
