

# “Friends of the Fair” Volunteer Application

Excellent Customer Service is our #1 Priority

---

Our mission is to provide blue ribbon volunteer services to the patrons of the Erie County Fair. By assisting, we enhance agricultural education and customer service to guests visiting Erie County Agricultural Society events.

Our volunteers may work outside assisting in guest services booths, in various areas with children, or opportunities outside of the 12 Days. Please note some roles may require standing for extended periods of time.
