FINE ARTS & CRAFTS RULES

- a) This section is limited to items designed by the exhibitor. Projects made from commercially available kits should be exhibited in Home Environment and Furnishings.
- b) Projects entered in competition previously are not allowed; refer to Erie County 4-H Rules and Regulations, A. 3.
- c) For any sewn, fabric, or textile item: exhibitors must securely attach a small tag (use cloth tag on cloth articles) with name, address, age and the number of years with the project on the inside or bottom of the item.
- d) Creativity, skill, and years of experience are the criteria used when evaluating the exhibits. Please note that creativity and art appreciation come with a variety of opinions. Take special consideration to how the exhibit is displayed and be prepared to describe to the evaluator what was learned.
- e) Flat artwork (painting, drawing, prints) must be signed. Objects whose ultimate use is to hang on the wall must have mountings on them and be ready for hanging. The frame and matting chosen should enhance the artwork.

- g) Fine arts and craft entries made using recycled materials will be evaluated on entry's artistic value. Note: items made from recycled materials may also be evaluated in Natural Resources if youth would benefit more from its evaluation being based on its re-use of material.
- h) **If the exhibitor is not present when the entry is evaluated, the craft entry must be accompanied by a 3 x 5 card stating its intended use, what life-skill is gained from the project, how it was made and why the project was interesting to you. This card is optional if the exhibitor is present during the evaluation and can answer these questions if asked by the evaluator.**
