Video Submission

Your video should be 1-3 minutes long. This can be a simple video taken with your phone.

Include key details like:

- Introduction about yourself
- Clear explanation of your project (Describe your idea. What does it do? How does it relate to agriculture?)
- Rationale (Think: What problem is your project trying to solve? Who is your target audience? Why is this project a good idea?)
- Why you deserve the prize money (if you win, how will it be used?)

There are two options to submit your video:

1. Upload a video file below
2. Upload your video to YouTube, and paste the link below

13. Upload your video file. (Must be under 1GB file size.)

Files submitted:

14. Or provide a link to your video on YouTube.

15. Upload any drawings, photos of your prototype, or other images that help us understand your idea (optional).
