

## **MARKET LAMB CLASSIFICATION STANDARDS**

These are the recognized breeds for the Erie County Fair Youth Livestock Expo Market Lamb Show. Lambs must meet all classification standards as established by the Fair. No pedigrees will be required.

### **Natural Colored**

1. Must have a predominant "blue or black tint" to the skin and wool
2. A few black or blue spots coloring of the wool, bite marks, fungus spots or scars with black or dark fiber areas will not classify a lamb in this division

### **White Face Crossbred**

1. Must be white faced, brockle faced or show evidence of at least 50% white face or more throughout the face and ears
2. Reddish rust-colored legs are acceptable

### **Black Face Crossbred**

This class generally includes the Suffolk and Hampshire breeds, plus all lambs that do not fit into the Natural or White Face Crossbred divisions.

### **AOB**

If a lamb shows breed characteristics of a breed other than those listed above, it will be added to the AOB division. Lamb must show obvious breed characteristics based on show management discretion.
