You will only be allowed into the Fairgrounds with your truck and trailer for that time slot assigned. (Unless the show is not complete and you are still actively showing your animals. You may then disregard your assigned time and move out once you are completely done showing.) The exhibitor's that have the longest travel time will receive the earliest time slot. Multiple trips will also be considered. It is in each exhibitor's best interest to help each other load animals and tack.
