Release Schedule

For your safety and the safety of the public the Erie County Fair has a release schedule. This program was designed to eliminate the congestion of trucks and trailers on the Fairgrounds during release times. Each exhibitor will receive a time slot. Each time slot will be 30 minutes. You will only be allowed into the Fairgrounds with your truck and trailer for that time slot assigned. The exhibitor's that have the longest travel time will receive the earliest time slot. Multiple trips will also be considered. It is in each exhibitor's best interest to help each other load animals and tack. *Any rotation 1 exhibitors driving over 100 miles in one direction will be allowed to leave after 9:00 PM on Monday, August 15th or before 9:00 AM on Tuesday, August 16th. Any Rotation 2 exhibitors driving over 100 miles in one direction will be allowed to leave after 9:00 PM on Saturday, August 20th or before 9:00 AM on Sunday, August 21st. During both rotations, any exhibitor traveling more than 400 miles may leave at 6pm on the day of the show. Arrangements must be made with the show management prior to show day. Early release form must be given to superintendent at the exhibitors meeting.*

GENERAL CATTLE RULES

1. All exhibitors must purchase either a \$75.00 Erie County Agricultural Society Membership or \$15.00 Exhibitor's wristband. Each owner of a farm is considered an exhibitor. If your animals do not come, you do not get your exhibitor wristbands.
2. If more passes are needed for your help, \$8.00 one-day "workers" passes can be purchased (quantity may be limited).
2. Youth exhibitors may enter any animal in the Open Class department. However, when entering in the open class the youth must pay ALL appropriate fees; this includes the exhibitor wristband, entry fees, and late fees.
3. Exhibitors must be at least 4 years of age to exhibit livestock at the Erie County Fair.
4. **Entry fees do not guarantee "tack space/pens"**. In divisions where entries do not exceed available space "tack pens" will be assigned by the superintendent
5. Cattle may be shown on a **signed transfer**. An official Registration Certificate must be shown on each animal. These will be checked for identification, ownership, and birth date.
6. Where a herd is registered in the names of different members of a family, residing on one farm where the herd is a unit, all entries may be considered as a single exhibitor. **ALL OWNERS MUST BE LISTED ON THE ENTRY FORM.**
7. An animal may show in two different breed divisions (as long as they are registered with both breed associations) but **CANNOT** show twice in the same open class dairy cattle rotation.
8. Rules of the New York State Department of Agriculture and Markets Standards for the Conduct of Agriculture and Markets for Fairs and Summary of Livestock Health Requirements shall apply.
9. Any calf under 4 months of age may not be entered in any class for competition.
10. Initial sawdust bedding will be supplied to exhibitors. However, if the exhibitor wishes to have shavings or straw, they must bring it or buy it from a purveyor on the grounds. The Fair will not be providing straw or shavings.
11. Bedded packs will not be left from rotation 1. All packs will be cleaned out.
12. No changes in barn layouts unless approved by the Show Management. The rotation 1 barn layout will be posted Sunday, August 8th. Stalls may be bedded after this date **ONLY**. Late entries will be accommodated in the best way possible.
13. The Show Management will grant permission only for late arrival or early removal of animals being shown at a competing show which conflicts with above times. Early removal must **ONLY** be done **AFTER THE SHOW IS COMPLETE**. Early removal will result in forfeiture of premiums and the privilege of showing at the Erie County Fair in the future, unless Fair management has granted permission to release animals and a letter from competing show must be on file.
14. The decision of the judge shall be final in all cases, except where error, mistake, fraud, misrepresentation, or collusion, not discovered at the time of the award, is proven. In such cases, the decision of the Show Management, or such referee appointed shall be final.
15. The judge may, in his discretion, require any animal to be milked before him in the ring.
16. Herdsmanship: 3 awards will be given in each rotation. 1st place: \$62.50 and a banner, 2nd place: \$37.50, 3rd place: \$18.75. The Dairy Cattle Rotation #1 Top Herdsmanship will be awarded in Memory of Dean Sharp. *Herdsmanship awards are at the discretion of management and may not be awarded if exhibits do not warrant award.*
The following criteria will be considered for Herdsmanship judging:
 - Cleanliness of animals, well groomed, neat, attractively arranged and properly spaced
 - Adequate packed bedding, clean & dry
 - Aisles clean & neat, adequate width for visitors & feed, equipment clean and stored neatly, manure storage not overflowing, trash picked up
 - Appearance & attitude of exhibitor, knowledgeable, courteous, friendly.
 - Friendliness toward other exhibitors
 - Clothes & person neat & clean
17. Exhibitors & workers are required to wear shirts and shoes while on the Fairgrounds.
18. A milking parlor is available. The parlor has twelve (12) walk through parlor stalls. Milk is measured in weighed by LED weight read out and recorded for each cow before it goes to the storage tank. Exhibitors will be paid \$17.00 per hundred weight for their milk, after a percentage for parlor operation. The hours of operation will be subject to the discretion of the milking parlor operator but will be available for three times a day milking. Abusive behavior will not be tolerated and that person(s) will be removed from the Fairgrounds and premium money will be forfeited. **NO SHOTS ARE ALLOWED TO BE GIVEN IN THE PARLOR.**
19. The parlor is operated by strict health requirements for fluid milk. **NO** cow will be milked in the milking parlor that:
 1. Is producing colostrum milk
 2. Is producing mastitic milk
 3. Is producing flaky milk
 4. Is being treated with an antibiotic
 5. All cows that currently use BST are not allowed to milk into the tank in the milking parlor. The plant that is taking our milk requires the milk to be BST free. Those that use BST must be prepared to bring a portable milking machine and may only dump milk in the area approved by the parlor superintendent.

These guidelines are the only means of assuring a satisfactory market and price for the milk. If any of the aforementioned is detected in a tank, the entire tank of milk must be disposed of, and nobody is paid for that tank of milk.

20. No milk checks of less than \$10.00 will be paid to exhibitors.
21. **ABSOLUTELY NO MILK IS TO BE DISPOSED OF THROUGH THE FAIRGROUNDS STORM SEWER SYSTEM. ALL MILK NOT COLLECTED IN THE MILKING PARLOR TANK SHOULD BE DUMPED IN THE WASHRACK GUTTER ONLY. NO MILK IS TO BE DUMPED IN THE STORM SEWER. ALL ANIMAL WASTE MUST BE TAKEN TO THE MANURE BOXES AND NOT LEFT ON PAVEMENT TO MIX WITH RUN-OFF OR STORM WATER. IF THERE ARE QUESTIONS, PLEASE CONTACT THE SHOW MANAGEMENT.**
22. A production premium will be given in cow classes based on production per day of life from date 24 months. Official DHIC Forms and DHIR individual cow records will be accepted.
23. The Erie County Fair insists that the exhibitor use good judgment when preparing dairy cattle and that the preparation is natural and appropriate for each individual animal. Judges, exhibitors and management will be encouraged to monitor this and report indiscretion to the show management. In order to keep uniformity between New York State Shows the length of the topline hair is **not to exceed 1 1/2"**, and all toplines are subject to measurement before entering the show ring. Artificial substances are prohibited in topline including but not limited to: foreign objects, hair or hair substitutes, cloth or fiber. If an animal comes to the show ring and this limit is exceeded the animal **WILL NOT** show.
24. All exhibitors **MUST** have the correct show number corresponding to the correct animal to enter the show ring.
25. Proper show ring attire is strongly suggested. **NO FARM NAMES** are allowed on show shirts while in the show arena.
26. In order to both present the Fairgoing public with a quality exhibit and accommodate exhibitors, those exhibitors/farms with 10 or more head of cattle may remove half of their animals between the hours of 9pm the night before and 9am on the day of release. Exhibitors/farms with 9 or less animals **will not** be allowed to take any animals off of the Fairgrounds early. Form must be completed and returned to dairy cattle superintendent at conclusion of exhibitor meeting.

27. Radios are allowed, if not within reasonable volume a fine will be levied and the radio will be confiscated. No radios are allowed in wash rack area.
28. In order for an animal to show in a group class it must be shown in an individual class first. This pertains to the Erie County Fair Holstein Show and Red and White Show, WNY Regional Show, and the Erie County Fair Color Breed Show.
29. Livestock trailers will continue to be parked in the lot on McKinley Parkway. Please see Dairy Cattle Superintendent for clarification as to where to park.
30. Stalling from year to year will change due to layout changes. Location may vary from year to year.
31. **All tack/bales/supplies that are staying from one rotation to the next must be marked appropriately (see superintendent for details) and must be pushed against the walls of the barns. Anything left in mangers, packs, tack areas WILL be removed from the barns.**
32. Pop-up tents are allowed in the barns (with tops on).
33. If you are planning on camping in the livestock lot, please note that payment does not guarantee a spot. You will be notified & refunded if camper lot is full.
