Release Schedule

For your safety and the safety of the public the Erie County Fair has a release schedule. This program was designed to eliminate the congestion of trucks and trailers on the Fairgrounds during release times. Each exhibitor will receive a time slot. Each time slot will be 30 minutes. You will only be allowed into the Fairgrounds with your truck and trailer for that time slot assigned. The exhibitor's that have the longest travel time will receive the earliest time slot. Multiple trips will also be considered. It is in each exhibitor's best interest to help each other load animals and tack. *Exhibitors driving over 100 miles in one direction will be allowed to leave after 9:00 PM on Sunday, August 13th or before 9:00 AM on Monday, August 14th.* **Arrangements must be made with the show management prior to show day. Early release form must be given to superintendent at the exhibitors meeting.**

General Dairy Cattle Rules

- 1) All exhibitors must purchase either an \$18.00 Exhibitor's wristband or a \$100 Erie County Agricultural Society Membership. If your animals do not arrive to the fair, you will not receive your exhibitor wristbands.
- 2) If more passes are needed for your help, \$10.00 one-day "workers" passes can be purchased (quantity may be limited).
- 3) Youth exhibitors may enter any animal in the Open Class department. However, when entering in the open class the youth must pay ALL appropriate fees; this includes the exhibitor wristband, entry fees, and late fees.
- 4) Exhibitors must be at least 4 years of age to exhibit livestock at the Erie County Fair.
- 5) **Entry fees do not guarantee "tack space"**. In divisions where entries do not exceed available space "tack pens" will be assigned by the superintendent
- 6) Cattle may be shown on a signed transfer. An official Registration Certificate must be shown on each animal. These will be checked for identification, ownership, and birth date.
- 7) **NEW** - Breeds will be split into two rings based on entry numbers, they will then show in alphabetical order and rotate breeds per class
- 8) **NEW** – A Junior Show for EVERY breed will be offered. To be eligible for the Junior show the animals MUST be entered in the open show. Juniors will be asked to take two steps forward in the open show classes to collect junior placings. We will abide by individual breed association junior ownership rules per breed. No class premiums will be paid for the Junior show.
- 9) Where a herd is registered in the names of different members of a family, residing on one farm where the herd is a unit, all entries may be considered as a single exhibitor. **ALL OWNERS MUST BE LISTED ON THE ENTRY FORM.**
- 10) Cattle will be allowed to show in two breeds; however, two entry fees must be paid.
- 11) Rules of the New York State Department of Agriculture and Markets Standards for the Conduct of Agriculture and Markets for Fairs and Summary of Livestock Health Requirements shall apply.
- 12) Any calf under 4 months of age may not be entered in any class for competition.
- 13) Initial sawdust bedding will be supplied to exhibitors. However, if the exhibitor wishes to have shavings or straw, they must bring it or buy it from a purveyor on the grounds. The Fair will not be providing straw or shavings.
- 14) No changes in barn layouts unless approved by the Show Management. The barn layout will be posted Sunday, August 6th. Stalls may be bedded after this date ONLY. Late entries will be accommodated in the best way possible.
- 15) The Show Management will grant permission only for late arrival or early removal of animals being shown at a competing show which conflicts with above times. Early removal must ONLY be done AFTER THE SHOW IS COMPLETE. Early removal will result in forfeiture of premiums and the privilege of showing at the Erie County Fair in the future unless Fair management has granted permission to release animals and a letter from competing show must be on file.
- 16) The decision of the judges shall be final in all cases, except where error, mistake, fraud, misrepresentation, or collusion, not discovered at the time of the award, is proven. In such cases, the decision of the Show Management, or such referee appointed shall be final.
- 17) The judge may, in his discretion, require any animal to be milked before him in the ring.
- 18) Exhibitors & workers are required to wear shirts and shoes while on the Fairgrounds.
- 19) A milking parlor is available. The parlor has twelve (12) walk through parlor stalls. Milk is measured in weighed by LED weight read out and recorded for each cow before it goes to the storage tank. Exhibitors will be paid \$17.00 per hundred weight or current milk price whichever is higher for their milk, after a percentage for parlor operation. The hours of operation will be subject to the discretion of the milking parlor operator but will be available for three times a day milking. Abusive behavior will not be tolerated, and that person(s) will be removed from the Fairgrounds and premium money will be forfeited. **NO SHOTS ARE ALLOWED TO BE GIVEN IN THE PARLOR.** The parlor is operated by strict health requirements for fluid milk. **NO** cow will be milked in the milking parlor that:
 1. Is producing colostrum milk
 2. Is producing mastitic milk
 3. Is producing flaky milk
 4. Is being treated with an antibiotic
 5. All cows that currently use BST are not allowed to milk into the tank in the milking parlor. The plant that is taking our milk requires the milk to be BST free. Those that use BST must be prepared to bring a portable milking machine and may only dump milk in the area approved by the parlor superintendent.
- 20) These guidelines are the only means of assuring a satisfactory market and price for the milk. If any of the aforementioned is detected in a tank, the entire tank of milk must be disposed of, and nobody is paid for that tank of milk.
- 21) No milk checks of less than \$10.00 will be paid to exhibitors.
- 22) **ABSOLUTELY NO MILK IS TO BE DISPOSED OF THROUGH THE FAIRGROUNDS STORM SEWER SYSTEM. ALL MILK NOT COLLECTED IN THE MILKING PARLOR TANK SHOULD BE DUMPED IN THE WASHRACK GUTTER ONLY. NO MILK IS TO BE DUMPED IN THE STORM SEWER. ALL ANIMAL WASTE MUST BE TAKEN TO THE MANURE BOXES AND NOT LEFT ON PAVEMENT TO MIX WITH RUN-OFF OR STORM WATER. IF THERE ARE QUESTIONS, PLEASE CONTACT THE SHOW MANAGEMENT.**
- 23) A production premium will be given in cow classes based on production per day of life from date 24 months. Official DHIC Forms and DHIR individual cow records will be accepted.
- 24) The Erie County Fair insists that the exhibitor use good judgment when preparing dairy cattle and that the preparation is natural and appropriate for each individual animal. Judges, exhibitors, and management will be encouraged to monitor this and report indiscretion to the show management. To keep uniformity between New York State Shows the length of the topline hair is **not to exceed 1 ½"**, and all topline are subject to measurement before entering the show ring. Artificial substances are prohibited in topline including but not limited to: foreign objects, hair or hair substitutes, cloth or fiber. - 25) All exhibitors MUST have the correct show number corresponding to the correct animal to enter the show ring.
