What garden is complete without a scarecrow? Design and make your own Scarecrow for competition in the 2020 Erie County Fair! We will judge them and display them in the Urban Farming Trail for all to enjoy.

A scarecrow is a decoy or mannequin, often in the shape of a human. Scarecrows are usually dressed in old clothes and placed in open fields to discourage birds from disturbing and feeding on recently cast seed and growing crops. Scarecrows are used across the world by farmers, and are a notable symbol of farms.
