

FFA Exhibitors for 2021 Erie County Fair:

Hello. I hope you are all having a great spring. It is time to start thinking about the 2021 Eric County Fair. If you are planning to show and sell animals through FFA at the fair this year please complete the attached form and return it to Tanya Nickerson at the Springville High School or via email at tnickerson@springvillecsd.org.

As a reminder:

To show animals as an FFA member, students must meet "active FFA member" requirements as outlined by NYS FFA.

- Youth need to be enrolled in an agriculture class at a high school with an FFA chapter.
- Have an active SAE
- Have authorization to participate from their high school FFA adviser.

You are required to show and sell animals in FFA official dress. This is black pants, a white button down shirt, FFA jacket, an FFA scarf or tie and black shoes.

Please complete and return the attached form This is for me to have a heads up on what species you plan to show for this year. This will allow me to keep you in the loop and make sure I know who to expect at the fair.

Please contact me if you have any other questions, 585-322-0348 or tnickerson@springvillegi.org.

Thanks,
Tanya Nickerson
FFA Adviser Springville-Griffith Institute

I plan to show the following species at the 2021 Erie County Fair:

_____ Rabbit

_____ Poultry

_____ Beef circle: breeding or market

_____ Dairy

_____ Swine circle: breeding or market

_____ Sheep circle: breeding or market

_____ Goats

Name: _____ Address: _____

By signing below it signifies that I have read the enclosed and understand what is expected of me to show as an FFA member at the Erie County Fair.

Student signature: _____

Parent signature: _____
