In partnership with USA Powerlifting New Mexico, the event will feature a deadlift championship, powerlifting championship and bench press championship during the first Friday, Saturday and Sunday of the fair. The schedule of events is as follows:

“The New Mexico State Fair is all about friendly competition and the blue ribbon,” said NMSF General Manager Dan Mourning. “This year, we wanted to go beyond the funnel cakes and corn dogs to show the great people of New Mexico something totally unique and different. USA Powerlifting ensures clean, drug free athleticism, meaning that this competition will show who truly is the strongest in New Mexico.”

The top three lifters in each weight class will receive medals, while the best overall male and female lifters will receive a cash prize and special State Fair Championship awards, as well as recognition in State Fair publications.
