**8. Term.**

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL SIGNED BY THE GENERAL MANAGER OF THE FAIR. This Agreement shall terminate on **June 30, 2024** unless terminated pursuant to paragraph 9 (Termination), or paragraph 45 (Appropriations). days prior to the intended date of termination, which notice shall (i) identify all the Fair's material breaches of this Agreement upon which the termination is based and (ii) state what the Fair must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the Fair does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Fair does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the Fair; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the State Purchasing Agent; or (iii) the Agreement is terminated pursuant to Paragraph 45, "Appropriations", of this Agreement.

C. Liability. Except as otherwise expressly allowed or provided under this Agreement, the Fair's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE FAIR'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

D. Termination Management. Immediately upon receipt by either the Fair or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the Fair; 2) comply with all directives issued by the Fair in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the Fair shall direct for the protection, preservation, retention or transfer of all property titled to the Fair and records generated under this Agreement. ## **10. Conduct Harmful to Fair.**

A. In the event the Contractor engages in conduct, whether or not during working hours, which endangers the health or safety of the public, contestants, or other persons on the Fair's grounds, or tends to injure the property or reputation of the Fair, Fair shall have the right to immediately terminate Contractor's services.

B. Contractor assumes the full responsibility for the character, acts, and conduct of all persons under its employ and direction. Fair reserves the right to remove any person deemed by Fair detrimental to the Fair or the operations of its business.

## **11. Contract Administrator.**

Or as an alternate, a split limits policy with minimum limits of \$700,000.00 bodily injury per person, \$1,000,000.00 bodily injury per occurrence and \$100,000.00 property damage per occurrence is required. A non-admitted carrier approved by the New Mexico Department of Insurance will be considered if it has an AM Best rating of B+VII or higher.

C. Insofar as the above-described insurance provides protection against liability for damages to third parties for personal injury, death, and property damage, Fair shall be included as an additional insured, provided such liability insurance coverage shall also extend to damage, destruction and injury to Fair-owned or Fair-licensed property and Fair personnel, and caused by or resulting from work, acts, operations or omissions of Contractor. Fair shall have no liability for any premiums charged for such coverage, and inclusion of Fair as an additional insured is not intended to, and shall not, make Fair a partner or joint venturer with Contractor in its operations at Expo New Mexico.

## **13. Damage/Security Deposit.**

Contractor shall submit a damage/security deposit in the amount of **\$2,000.00** no later than thirty (30) days of contract signing. Said funds shall be held by the Fair as security for the performance by Contractor of all terms, covenants and conditions of this agreement. It is expressly understood and agreed that such deposit is not an advance payment of fees due here under, or as a measure of the Fair's damages in case of Contractor's default.

If Contractor defaults with respect to any provision of this agreement, the Fair may (but shall not be required to), without prejudice to any other remedy provided herein or by law, use the security deposit, or any portion of it, to cure the default or to compensate the Fair for all, or a portion of, the damages sustained by Fair resulting from Contractor's default. The Fair shall not be required to keep the security deposit separate from its general funds and the Fair, not Contractor shall be entitled to all interest if any accruing on such funds.

## **14. Reporting Requirements.**

Auditors will make spot audits that will involve cash register records, including cash, paid out receipts, money drops, over rings, etc. Cash register tapes must be available on request for review by the auditor. Concessionaire must comply with any adjustments that are required as a result of an audit/evaluation conducted by the auditor.
- C. Failure to Record. In the event Concessionaire fails to create and/or preserve part or all of the Gross Receipt records required in this Agreement, Concessionaire shall pay Fair the percentage payment on an estimated amount of Gross Receipts for the time period for which such records were not created or preserved, plus eighteen percent (18%) thereon. The estimate of Gross Receipts shall be made by the Fair and shall be based on historical sales of the Concessionaire or other food and beverage concessions at the Fair correlated with type of events and tickets sold for the time period involved and/or sales of other food and beverage retail businesses situated in similar circumstances as Concessionaire. Failure of Concessionaire to create and/or preserve such records shall be a material breach of this Agreement by Concessionaire.
- D. Fair shall have the right at any time within three (3) years after termination of the Agreement to have the books and records of Concessionaire audited during reasonable hours by a certified public accountant including, but not limited to, an audit by the Fair's or a private certified public accountant; and, in the event that such audit shows Concessionaire's Gross Receipts as reported by said certified statement to be more than one percent (1%) in error, detrimental to Fair, Concessionaire shall reimburse Fair for the expense to Fair of such audit; otherwise, Fair shall bear the entire cost of such audit. Any additional moneys found due by such audit shall be paid to Fair within thirty (30) days and shall bear interest at the Past Due Interest Rate from the date such payment was due until paid; and if Concessionaire has overpaid such moneys, Concessionaire shall deduct such excess from the payment next falling due, if any, or be paid such excess by Fair if no payments owing remain. Concessionaire shall not be entitled to charge Fair any interest on such overpayments.

**15. New Mexico Environmental Department.**

- A. All temporary food service establishments shall comply with the food service regulations of the New Mexico Environment Department. - B. Concessionaire shall submit permit applications and required fees to the Environment Department, 5500 San Antonio Drive, N.E., Albuquerque, New Mexico 87109.

- C. Concessionaire shall not sell or distribute any food product until a valid food service permit is issued by the New Mexico Environment Department. Any food service operation requiring inspection by a representative of the Environment Department must be set up and ready for inspection at least one-half hour prior to the start of an event.

**16. Acceptance of Facilities.**

The Concessionaire has inspected the facility and accepts the Facility in its present condition.

**17. No Other Obligation of Fair.**

Concessionaire acknowledges that Fair has made no representations or warranties concerning the suitability of the facilities for Concessionaire's use or for any other use, and that except as expressly provided in the Agreement, Fair shall have no obligations whatsoever to repair, maintain, renovate or otherwise incur any cost or expense with respect to the Premises or any improvements, furnishings, fixtures, trade fixtures or equipment constructed, installed, or used on or in the facilities.
  
- B. Concessionaire hereby confirms that it has made its own investigation of all the costs of doing business under this Agreement, including the costs of constructing Concessionaire improvements to the facilities, and the costs of furnishings, fixtures, trade fixtures, signs, inventory and equipment needed to operate from the Fair's premises hereunder, that it has done its own projections of the volume of business it expects to generate in operating from the Fair's premises hereunder, that it is relying on its own business judgment concerning its prospects for operating on the Premises under this Agreement on a profitable basis, and that Fair has not made any representations or warranties with respect to such matters.

At the termination of the Agreement, Concessionaire shall surrender Fair-owned stand/property in the same condition as it was in upon delivery of possession thereto under this Agreement, reasonable wear and tear excepted, and shall deliver all keys and combinations to locks to Fair. Such property is exclusive of

An inspection of the stand/property will be scheduled at a time designated by Fair. If Concessionaire fails to remove its property upon the expiration of this Agreement, the said property shall be deemed abandoned and shall become the property of the Fair. - B. Concessionaire's privileges and rights under this Agreement shall not include any additional rights to retail food and beverage space at the Fair. However, Concessionaire shall not be prohibited, because of entering into this Agreement, from submitting a bid or proposal for such future space when the Fair may issue a request for bids or request for proposals. Concessionaire further agrees that the Fair has and will have other Concessionaires who shall have the right to sell food and beverages, including the same type of food and beverages sold by Concessionaire. The Fair has the right to add additional concessions or catering services in any facility. Fair shall also be entitled to contract for restaurant managers or management services to operate restaurants.

Such property is the sole responsibility of Contractor, and as such, Contractor has the sole and exclusive responsibility for the care and safety of all such property brought into Expo. Fair does not make any warranties or promises as to the care, maintenance or security of any such property. Any damage to said property caused by rain, hail, wind, fire, or any other natural phenomena shall be covered by Contractor's own insurance policy. Additionally, the Fair is not responsible for any personal injury or damage to property, direct or incidental, caused by the negligent or intentional acts of a third party. B. The Concessionaire may elect to use the Fair's communications Contractor as a subcontractor, if it so desires, but the Concessionaire will be responsible for all subcontracting expenses.

C. Should the Concessionaire elect to choose another subcontractor, all work must be approved by Fair.

D. The Concessionaire will be assessed a fee by the Fair of \$120.00 plus New Mexico gross receipts tax per line for telephone installation.
