## **Duke City Gladiators to Play CIF Championship Game in Tingley Coliseum**

Albuquerque, NM – The Duke City Gladiators will square off against the Salina Liberty on Saturday, July 13 inside Tingley Coliseum for the 2019 Champion Indoor Football (CIF) Champion Bowl. The season has been favorable for the Gladiators, who are entering the final game with a six game winning streak behind them and an overall 9-3 win/loss ratio. The game will start at 6:05 p.m. on Saturday.

Last year, the Gladiators won the Champion Bowl against the Sioux City Bandits, earning them the CIF championship title. The Salina Liberty, from Kansas, are coming in to the game at 10-4. Their last four game winning streak was broken by the Gladiators in late June.

“We’re happy to see the Gladiators back in the championship game for a second time this year” said Expo NM General Manager Dan Mourning. “It has been a pleasure to host the Gladiators inside Tingley Coliseum and watch them evolve into the champion team they are today.”
