## EXPO New Mexico Welcomes Armored Combat League, Albuquerque Ski Swap and other Great Weekend Events

This weekend promises to be another exciting time to visit the cool events happening at EXPO New Mexico, including a full contact medieval-style combat competition, as well as the premier gathering for ski and outdoor winter sports enthusiasts to experience and participate in the state's biggest ski swaps. For those who love a good deal on a unique item, the Flea Market opens early each morning on Saturday and Sunday for those searching for that special find.

The USA Knights are bringing the Armored Combat League event to Albuquerque for the first time. The New World Cup includes a team of 50 from all over the country who will engage in full force combat. This unique spectators sport will begin at 11:00 AM and run through 3:00 PM in the indoor sports arena, and the cost is \$10.00 per person for adults, \$5.00 for children and \$25.00 per family.

The Ski Swap is an annual event in Albuquerque sponsored by the Sandia Peak Ski Patrol. The public sale begins tomorrow Saturday October 25 from 9 AM to 4 PM and again on Sunday from 11 AM to 4 PM. General admission is \$2.00 per person.

As if the series of events wasn't good enough reason to make the short drive to EXPO, don't forget about our fantastic Flea Market. EXPO NM is home to the largest outdoor Flea Market in the State – open every Saturday and Sunday.

“There are some really cool events taking place right here at EXPO New Mexico this weekend,” Dan Mourning, General Manager of EXPO New Mexico, expressed. “The range of options that you can experience at our venue is extraordinary, and there isn't anything else that compares in the city or even the state.” For more information, log onto [www.EXPONM.com](http://www.EXPONM.com).
