QUESTIONS & ANSWERS

1. What would be the yearly volume on the shavings?
 - Our estimate is approximately 117,000 bags. This is an estimate and not a guarantee of sales.
2. Is TCPFA open to other types of hay than what is listed in bid specifications?

3. TCPFA requests a cost plus percentage for color shavings in bulk in addition to the bagged color shavings in the bid specifications.
4. TCPFA requests bidders that offer color shavings, bagged or bulk, to please include the color options with the bid response.
