"FFEA has been an invaluable source for building key connections and providing education which has played a vital role to help me launch my business years ago and to continue to grow and thrive today."

Lanie Shapiro, Owner, Touch Poll South Florida

Lanie Shapiro, Owner, Touch Poll South Florida

"I believe that service suppliers that are essential to the industry should be supporting the events and festivals that we serve. Participation in the association and sponsorship of the conference offers us a way to both show that support and engage with the industry leadership away from the hectic pace of their individual events." Patti Hamilton, Power of Ten Consulting

"I attend conventions throughout the U.S. The FFEA convention is one of the best. The Trade Show is a great way to meet new folks and see old friends, but the true value for me is the opportunity to join the educational sessions and social activities and get to know the attendees."

Joe Repass, K&K Insurance

"FFEA is one of the best conferences we attend each year. We've exhibited for the past 4 years now, and are thrilled to be a part of this organization. The staff is always extremely organized and the attendees are a really interactive group! This is a can't miss conference and opportunity!"

Cassie Roberts, Saffire

"Attending the FFEA the conference put our business in front of hundreds of potential customers and allowed us to demonstrate our product and answer questions in person. We formed several beneficial relationships through the conference and saw an increase in sales." Marisa Madia, Help Get Sponsors

"FFEA has been instrumental in helping me to establish industry connections from all over the state linking me and my events to a quality source of vendors that I wouldn't have had access to otherwise. I love the opportunity to network among industry professionals in a laid back educational atmosphere and learn from top pros in my field!"

Shanna Benson, Senior Marketing Manager, Redevelopment Management Associates

"FFEA brings a great combination of camaraderie between fellow colleagues as well as a platform to excel in your industry. I always find, the time I spent at the FFEA Convention, enjoyable due to the great people that attend and beneficial for my business endeavors."

Matthew Fillioe, Founder & CEO, Liberation Event Management

"FFEA is such a great opportunity to meet others in our industry and share ideas and best practices. The sessions are insightful and give me great trending information on what's hot and what's not. Fads come and go and sometimes we are stuck with old school mentality and need a nudge to move with the times. As a 20 year event veteran, this is the perfect group in which to be aligned. From newbies to seasoned event professionals, there is something for everyone."

Dawn Read, Event Director, Winterfest Inc. Home of the Seminole Hard Rock Winterfest Boat Parade

"FFEA offers a chance to meet and get to know other industry professionals in our areas. We can share stories and insights about each other's events. We all go through similar challenges and successes so it is nice to get to meet and get familiar with some many others in the industry."

Kris Koch, Recreation Supervisor, City of Clearwater

"The FFEA Learning Roundtables provided great insight into the challenges other venues face. Their feedback and suggestions on how to tackle big challenges provided a different perspective."

Sherry Moore, Corporate Partnerships, Florida State Fair Authority

"Professionally, I've gained a great deal of knowledge about keeping costs down and maximizing profit at events, fostering a better volunteering program and how to better develop and utilize resources and partners that we already have to be more cost effective and produce a better event. What I really liked about the FFEA Conference is that I didn't realize how much I learned because I was having so much fun the whole time! I look most forward to meeting new people every year and learning new and innovative ideas to implement!

Kristin Nespoli, Special Events & Recreation Specialist, City of Cape Coral

"FFEA helps you get to know colleagues in your area by giving you contacts, point of references and helping to create professional relationships. You have the opportunity to learning something new and meet new people. What you might not necessarily learn in the some of the sessions, you might learn in a conversation with someone you just met."
