

ELECTRICAL SERVICES USE FEES

FOR THE WINGSPAN EVENT AND CONFERENCE CENTER AND ALL OUTDOOR SPACES.

Prices for Fiscal Year 2023-2024, July of 2023 through June 2024

<u>Temporary Electrical Services-Expo Hall and Outdoors</u>	<u>Advanced Rate</u>	<u>Standard Floor Rate</u>
<i>Applies to Conf. Room IF MORE NEEDED</i>	<i>(Ordered at least 14 days Prior)</i>	<i>(Ordered less than 14 days Prior)</i>
2400 watts/20amps	\$125.00	\$150.00
(This size of drop will typically be enough to serve 4, 10' x 10' booths, depending on the needs of the vendors.)		
50 amp-single phase	\$450.00	\$550.00
Electrical Cable Ramp/Protector	\$50.00	\$60.00
"Spider Box" (Distribution Box)	\$500.00	

NOTE: The 2400 Watts/20amps Power Drops will typically provide power to 4, 10' x 10' booths, giving each booth 5 amps of service. If a particular vendor has greater power needs than 5 amps, it may mean only 3 booths could be serviced with 1 20amp drop, or that vendor may need a dedicated 20amp circuit just for that space, in which case that would be a single \$125.00 drop just for that vendor's space. You will need to work with your vendors to have them clarify what they think their electrical needs will be and then as your show plans advance, we will work with you on your specific electrical needs within your layout of booths.

ELECTRICAL SERVICES RATES
