

## Parking Lots

**(In Special Circumstances, the Parking Lots can serve as an Event Location)**

*Prices for Fiscal Year 2023-2024, July of 2023 through June 2024*

Westside Commons has several large parking lots to accommodate the visitors to our annual Washington County Fair and the events held here, but sometimes, the parking lots themselves work well as the actual venue for certain events.

Our parking lots are only allowed for use as Event Space when it's compatible with the other activities happening inside our facility, because we do need to make sure we are providing plenty of parking for visitors to all of the activities happening on site, and the time of year and weather challenges are also considered, so it does depend on the schedule, but when it works, it can be a great option for things like RV sales, off-site car sales, just to name a few of the events that have been staged in our lots.

The Parking Lots are identified as:

Cornell and 34th Lot (Grass Only)

East of 34th Lot (Grass Only)

Cloverleaf Lot (Small area of Asphalt with larger grass area)

For Fiscal Year 2023-2024, each is priced at \$808.00 per day.

Pricing for the large, paved lots next to the Wingspan Event and Conference Center will be quoted based on their availability when you Inquire about using them as Event Space.
