## **Barn Calendar Rules**

Everyone who rides/ropes in the barn, on grounds and outdoor arena must sign an Assumption of Risk Form.

To rope/ride in the barn you write your name on the calendar on the west wall in barn. If you are not able to make your time slot, please remove your name so that others may ride during that time.

If you do not mind other ropers in the barn while you just want to ride you do not need to write your name down on the calendar.

But if you want to rope/ride/do barrels or poles then please write your name in the time slot that you want, so others do not bring in their trailers, stock and have to wait for you.

Please do not take more than 2.5 hours per day ~ there are a lot of riders in this area, so let us all be considerate of others.

*Thank you!*

& Lani DeBuhr- Fair Grounds Manager*
