

E. CANNING AND PRESERVING DIVISION-Denise Winter-(One Entry Per Class)

USDA Canning and Preserving Guidelines available at Texas A&M AgriLife Extension Office of Fayette County.

1. Canned products should be prepared and processed according to the current USDA Canning and Preserving Guidelines
2. All canned displays must be in standard-make clear canning jars with standard two-piece lids, unless other containers are specified (such as bottles for the fruit juices). Mayonnaise jars will not be accepted. No tinted jars will be accepted.
3. Artificial pectin may be used in making the jelly exhibits.
4. Any exhibit not listed but merits award will be accepted.
5. Items will be disqualified if they are moldy or appear spoiled or not properly sealed. Rusty lids and screw tops are not accepted.
