FIVE FLAGS CENTER ADVANTAGE

FIVE FLAGS IS UNIQUE

compared to traditional wedding venues. We do not have exclusive partnerships with local vendors for venue rentals. This means you are able to source your own caterer, wedding cake, & decorator.

WE ARE LOCATED IN THE HEART OF DOWNTOWN DUBUQUE.

The Five Flags Center is located at 405 Main Street - across the street from Holiday Inn, two blocks away from Hotel Julien, and there are 14 bars and restaurants within walking distance. This is a convenient location if you are expecting a number of guests from out of town.

WE ARE A BLANK CANVAS

The Five Flags Center Ballroom is created by hanging black curtains in our arena near Gate C. You can create a reception however you want within this space.

PROFESSIONAL STAFF AND ELEGANT SPACE

Take advantage of the variety of spaces in Five Flags for the bride and groom before your ceremony. For total privacy, use the underground walkway to the Holiday Inn. After your vows, greet your guests as a couple in the Theater Lobby with a champagne toast.

CULTURAL LANDSCAPE

Saved from demolition, the historic theater in Dubuque has been restored to its original 1910 grandeur with German crystal chandeliers, Baroque styling, and vintage surroundings. Imagine your guests entering this elegant space to watch you walk down the aisle to meet your soulmate on stage. The Five Flags Theater is on the National Historic Landmark Registry.
