**CATEGORIES:**

**CATEGORY 1: Newly established or evolving program/exhibit at your fair which promotes agriculture to the fair going public.**

Entrants will describe an innovative exhibit, event, program, theme, or competition designed to communicate an agricultural message(s) in an entertaining and educational format to the fair guests.

**CATEGORY 2: Program/event/exhibit designed to educate consumers/fairgoing public of a current agriculture or fair industry challenge.**

Entrants will describe program, explain relevance, and detail partnerships involved, resources used, and the success of the program.

*Examples: Messages on specific animal health issues, animal wellness, human/animal biosecurity, GMO's, family farms, changeovers (i.e. keeping animals in the barns for fairgoers to see them, educate on why animals go home and not stay the entire fair, safety methods used to keep animals and people safe during load in or load out) or other event or activity presented to allow people to see agriculture or animals besides the animals in competitions.*

**CATEGORY 3: Non-fair related agriculture event/program which is produced or co-produced by your fair.**

Entrants will describe the program/event including process for development, resulting participation or attendance, partnerships and resources utilized and how the event/program ultimately benefits the annual fair.

Examples: Educational programs, events or agricultural shows.
